**Driving Customer Equity** Valarie A. Zeithaml, Katherine N Lemon, Roland T Rust, 2001-02-21 In their efforts to become more customer focused companies everywhere find themselves entangled in outmoded systems metrics and strategies rooted in their product centered view of the world Now to ease this shift to a customer focus marketing strategy experts Roland T Rust Valarie A Zeithaml and Katherine N Lemon have created a dynamic new model they call Customer Equity a strategic framework designed to maximize every firm s most important asset the total lifetime value of its customer base The authors Customer Equity Framework yields powerful insights that will help any business increase the value of its customer base Rust Zeithaml and Lemon introduce the three drivers of customer equity Value Equity Brand Equity and Retention Equity and explain in clear nontechnical language how managers can base their strategies on one or a combination of these drivers The authors demonstrate in this breakthrough book how managers can build and employ competitive metrics that reveal their company s Customer Equity relative to their competitors Based on these metrics they show how managers can determine which drivers are most important in their industry how they can make efficient strategic trade offs between expenditures on these drivers and how to project a financial return from these expenditures The final section devotes two chapters to the Customer Pyramid an approach that segments customers based on their long term profitability and an especially important chapter examines the Internet as the ultimate Customer Equity tool Here the authors show how companies such as Intuit com Schwab com and Priceline com have used more than one or all three drivers to increase Customer Equity In this age of one to one marketing understanding how to drive Customer Equity is central to the success of any firm In particular Driving Customer Equity will be essential reading for any marketing manager and for that matter any manager concerned with growing the value of the firm s customer base Hospitality ,2003 **Strategic Marketing** Torsten Tomczak, Sven Reinecke, Alfred Kuss, 2017-09-15 Dieses Lehrbuch f hrt in verst ndlicher systematischer und knapper Form in die Problemfelder der Marketingplanung ein Sowohl die Marketingplanung auf der Unternehmens und Gesch ftsfeldebene als auch die Planung des Marketing Mix werden behandelt Mit Hilfe von zahlreichen kurzen Fallbeispielen werden wesentliche Aspekte des Inhaltes veranschaulicht Die Autoren haben in der 7 Auflage alle Kapitel bearbeitet und diverse neue Praxisbeispiele aufgenommen Bei der Markenfh rung wurden einige Grundlagen erg nzt *New Business for Old Europe* Arnold Tukker, Ursula Tischner, 2017-09-29 Explores the business drivers for embarking on product service development and its relation with sustainability and competitiveness This book reviews toolkits and approaches selects best practice analyzes gaps examines what opportunities there are in a variety of key areas and translates the lessons into suggested approaches for companies **The Strategic Manager** Harry Sminia, 2021-07-25 The Strategic Manager provides a comprehensive logical and applied insight in strategic management Unlike some more theory heavy texts this book focuses on how strategy works in everyday practice taking readers expectations and understanding beyond that of strategy as a matter of planning

only It enables the reader to learn and reflect upon their practical skills and knowledge and critically evaluate the strategy process and their own strategic decision making The book is based around six different strategy theories individually presented and supplemented with useful lists of questions that encourage readers to become competent strategic thinkers This third edition has been fully updated throughout including fresh case studies and examples from across Asia Africa and South America that bridge theory with practice new strategy practice boxes considering the importance of cooperation and strategic alliances and reflective questions to aid understanding Essential reading for postgraduate students of strategic management MBA students and those in executive education this text will also be a useful tool for reflective managers trying to develop a better understanding Online resources include chapter by chapter PowerPoint slides

*Design for Sustainability* Tracy Bhamra, Vicky Lofthouse, 2016-04-22 *Design for Sustainability* is a practical approach to design which focuses on the challenges and issues faced by those designing consumer products in the 21st Century It is written from a design perspective and aimed at both professional and student industrial and product designers and those involved in managing design The book begins by summarising the historical and current issues of the environmental debate in the context of sustainable product development highlighting the benefits gained from considering the impact on the environment and issues of sustainability when designing The authors answer the questions What is sustainable product development and why is it important What are the main drivers of sustainable product development They explain how design can help to control human impact on the environment by not only minimising pollution waste energy use and use of scarce resources but also by thinking outside the box to create systems and services that can reduce the number of products manufactured The aim is to put sustainable development within a commercial context and introduce a new focus for design *Design for Sustainability* outlines and assesses the methods tools and techniques available to designers both for design innovation and design improvement A wide range of case studies are presented across a number of product sectors including electrical goods IT and furniture Initially they demonstrate product improvement and redesign examples include those that reduce waste pollution and energy consumption designing for recycling and reuse of parts Further examples are then provided exemplifying the more radical approach of system and service design The final section takes the reader through a whole sustainable design project from start to finish from brief to manufacture References and sources of information are also included
