A Political Economy of the Middle East Melani Cammett, Ishac Diwan, Alan Richards, John Waterbury, 2015-02-24 A Political Economy of the Middle East is the most comprehensive analysis of the political economy of development in the contemporary Middle East over the past several decades examining the interaction of economic development processes state systems state policies and social actors in the Middle East The fourth edition with new authors Melani Cammett and Ishac Diwan has been thoroughly revised with two new introductory chapters that provide an updated framework with which to understand and study the many changes in demography education labor markets urbanization water and agriculture and international labor migration in the recent years The new edition also includes a new chapter that charts the political economy of the Gulf states and in particular the phenomenal growth of oil economies a new chapter on the growth of the private sector and its effects in the region a new chapter on the rise of crony capitalism and increased coverage of the changes in civil society and social movements in the region including an exploration of the causes dynamics consequences and aftermath of the Arab uprisings

Migration from North Africa and the Middle East Alessandra Venturini, Philippe Fargues, 2015-06-22 The countries of the Southern and Eastern Mediterranean SEM and those in Sub Saharan Africa SSA are crucial to the development of the world economy Highly skilled migration to and from these regions is key to the recent socio political transformations that have occurred across the world Despite this in the states concerned skilled migration remains an underlying issue of concern rather than at the top of political agendas leading to a spectrum of unclear and uncoordinated legal and policy frameworks Containing a series of thematic and country specific overviews this book highlights the specificity of each region and identifies and analyses key demographic economic legal and political data allowing for policy prescription Skilled Migration the brain drain and its impact is an extensively debated phenomenon and this will be an essential companion for social scientists policy makers and development scholars

Peoplequake Fred Pearce, 2010-02-23 Wherever we look population is the driver of the most toxic issues on the political agenda But the population bomb is being defused Half the world's women are having two children or fewer Within a generation the world's population will be falling And we will all be getting very old So should we welcome the return to centre stage of the tribal elders Or is humanity facing a fate worse than environmental apocalypse Brilliant heretical and accessible to all Fred Pearce takes on the matter that is fundamental to who we are and how we live confronting our demographic demons

Routledge Handbook of Citizenship in the Middle East and North Africa Roel Meijer, James N. Sater, Zahra R. Babar, 2020-11-23 This comprehensive Handbook gives an overview of the political social economic and legal dimensions of citizenship in the Middle East and North Africa from the nineteenth century to the present The terms citizen and citizenship are mostly used by researchers in an off hand self evident manner A citizen is assumed to have standard rights and duties that everyone enjoys However citizenship is a complex legal social economic cultural ethical and religious concept and practice Since the rise of the modern bureaucratic

state in each country of the Middle East and North Africa citizenship has developed differently In addition rights are highly differentiated within one country ranging from privileged underprivileged and discriminated citizens to non citizens Through its dual nature as instrument of state control as well as a source of citizen rights and entitlements citizenship provides crucial insights into state citizen relations and the services the state provides as well as the way citizens respond to these actions This volume focuses on five themes that cover the crucial dimensions of citizenship in the region Historical trajectory of citizenship since the nineteenth century until independence Creation of citizenship from above by the state Different discourses of rights and forms of contestation developed by social movements and society Mechanisms of inclusion and exclusion Politics of citizenship nationality and migration Covering the main dimensions of citizenship this multidisciplinary book is a key resource for students and scholars interested in citizenship politics economics history migration and refugees in the Middle East and North Africa World Order from the People's Perspective in the Middle East Shingo Hamanaka,Hiroyuki Aoyama,Yutaka Takaoka,2024-11-13 The Arab Spring demonstrated the crucial importance of understanding the political awareness and behavior of the general public This book employs original survey data to examine the political attitudes perceptions of international relations and experiences and preferences related to cross border migration among ordinary people in the Middle East We have conducted a decade long study of Middle East public opinion utilizing two research concepts The first is the political cognitive map which constructs the international system i e the relations among major powers from public opinion data The second is the experience and preferences of cross border migration which enables us to analyze the problems of immigration refugees and terrorist infiltration Through these two research concepts we have attempted to understand the order and dynamics of the Middle East region This book opens new horizons for the study of Middle Eastern politics Routledge Handbook of Asian Migrations Gracia Liu-Farrer,Brenda S.A.
