Methodist Morals Darryl W. Stephens, 2024-01-12 *Methodist Morals* offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith. Revised every four years by the General Conference of the United Methodist Church, the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures. Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life. This is the first full length study of Methodist social teachings in over fifty years. Examining official Methodist teachings from institutional, historical, and cross cultural perspectives, Darryl Stephens provides a rich analysis of this case study of Protestant social witness, drawing on his expertise in church polity, Methodist history, and Christian social ethics. A wide range of comparisons with documents of the United Nations with moral debate in Germany and Zimbabwe, and with historical Methodist statements of social witness, shows the Social Principles to be a unique form of social witness. The issues of war, abortion, human sexuality, and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness, even as they become more attuned to transforming social structures. Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey. Intended for students of Methodism, ecumenical church leaders, and scholars of Christian social ethics and contemporary US mainline religion, this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world. **DARRYL W STEPHENS**, director of United Methodist studies at Lancaster Theological Seminary, is former assistant general secretary for advocacy and sexual ethics in the UMC's General Commission on the Status and Role of Women. He is the coeditor of *Professional Sexual Ethics: A Holistic Ministry Approach*. ***Transformational Pastoral Leadership*** Tim Gregory, 2023-04-06 This book provides a model based on Paul's letter to the church in Philippi to help pastors lead in a manner that brings lasting change and maturity to congregational members. The project addresses the need for pastors to move beyond a transactional mindset to a transformational approach to leadership, and it provides a model for them to follow. Tim Gregory grounds the call to transformational leadership in a close reading of Paul, drawing out multiple dimensions of what that leadership should strive to develop in a faith community. **Chaplaincy** Mark A. Jumper, Steven E. Keith, Michael W. Langston, 2024-03-26 This comprehensive introduction to the ministry of chaplaincy brings together three authors who oversee three of the leading chaplaincy programs in the United States. Written from an evangelical perspective, the book covers the foundations of chaplaincy and surveys specific types of chaplaincy work. In the first half of the book, the authors delve into the history of chaplaincy work as well as its biblical, theological, and philosophical foundations. They introduce students to important topics such as endorsement, placement, and the constitutional and legal parameters of such work. They also consider the person of

the chaplain and the understanding of chaplaincy as Christian ministry In the second half of the book the authors bring together expert contributors to survey ten specific contexts for chaplaincy work such as education healthcare the military corporations prisons public safety and sports and they explore the future of chaplaincy This book will be an invaluable resource for students of chaplaincy **Should We Use Someone Else's Sermon?** Scott M. Gibson, 2009-05-26 With easy access to sermons on the Internet plus pressure to deliver the next sermon with little time to prepare no wonder some pastors have resorted to plagiarizing other people's sermons passing them off as their own This growing epidemic has received coverage in the Wall Street Journal on National Public Radio and elsewhere Some pastors have been caught in the act and dismissed from their churches Is this fair Is this stealing How can you recognize it How can it be prevented This book not only helps explain the problem but it also explores the ethical implications and gives advice on how to avoid it or deal with it if the problem surfaces in your church It includes study questions at the end of chapters and a concluding case study

The Integrity of the Body of Christ Arden Mahlberg, Craig L. Nesson, 2016-05-23 For religious communities to have integrity and credibility they must flourish as places of love and respect Every aspect of church life is defined and protected by essential boundaries boundaries around space time thought speech will emotion and behavior both for clergy and church members Lack of awareness and attention to boundary keeping diminishes the integrity of the church and harms its mission whereas insight and vigilance about best practices lend freedom and energy to the calling of the church to care for others and to reach out to the world In a flourishing Christian community a wide array of boundaries must be recognized celebrated and navigated from the boundaries that define and protect us as individual persons to role boundaries and the boundaries that define essential communal functions such as worship This book is no conventional account of boundaries It takes a comprehensive approach to the challenge of understanding and creating healthy boundaries It applies the lessons from the emerging field of behavioral ethics to the rich and rewarding complexity of boundaries in church life helping us to be more loving and responsible in how we think speak and act so that the church can be true to its identity and mission *African Punctuality* Gabriel Amoateng-Boahen, 2017-04-01 Africans both home and in the diaspora handle time Time is central critical and crucial to our human existence The Creator God respected time very much in the creation account in Genesis Chapters 1 and 2 Maximum utilization of time leads to development and progress Conversely the misuse and misappropriation of time are friendly to poverty The twenty four hours divided into three segments of discussion and analysis in this book tell the full story Time is priceless and most valuable It is key to our survival as a people What is African Punctuality It is more than you think Read more about it in this book Lord Chesterfield a British Statesman 1694 1773 says Know the true value of time snatch seize and enjoy every moment of it No idleness no laziness no procrastination Never put off till tomorrow what you can do today Whatever is worth doing at all is worth doing well I recommend you to take care of the minutes for the hours will take care of themselves
