Volare Linda A. Geloso,2008-07-02 He was adored by millions his music entertaining the world but he was alone She was loved by her children and friends enjoyed her job but she was alone Two people two lives entwining but two worlds colliding Claire Rossini

loved Massimo Carando s music was excited to meet the great entertainer but could she fill the void in his soul Massimo looked to Claire as his salvation Could he convince her to leave the comfortable life she had known to start a new life in Sicily Could she ever know his heart the way he knew hers A fan letter written years ago was the bridge between these two very different people *The World of Multicellular* Oleg Seriy, Олег Серый, Maricabo, Марицабо, 2017-04-05 I was invited to the studio They were making a political TV show on the channel called 284 467 Non Shuster was the anchorman of the show On that TV channel they were giving false information rather often but actually it can be said about all the TV channels nowadays They were deceiving their audiences They were showing only entertainment programs and nothing else In a while I found myself in the studio Shaitan came with me He just couldn t let me go alone though no one had invited him even me The studio was a huge hall with hundreds of common people They were sitting looking around stupidly and smiling Everyone had a remote controller with the help of which they could manage that mad show There were a lot of politicians delivering speeches and among them were absolutely cracked Unicellular representatives of the Supreme Government and demoncracy Timoshenko Yanukovich Yuschenko Kuchma Yatsenyuk Tigipko Kravchuk and others There were also a number of foreign guests Shaitan always said that foreign countries shouldn t exist All these representatives of demoncratic power are sheer rubbish The power should be given to Multicellular Truth Authorities who unlike these Unicellular fools not only have their laws but also observe them Shaitan told me many times that no one ever audited the Unicellulars initial capital They only took and gave bribes the more colloquial term is kickbacks Behind a glamorous show that these quasi politicians organized they couldn t see the pitiful and sad life of common people whose representatives were sitting in the studio and applauding when big red words Applause appeared on a huge screen above their heads That was very impressive On the whole it was a quasi political TV show without banners and active brain wash The show was led by a man called Non Savik Non Shuster The thing I liked most about the show was that it was broadcast live The corresponding words were shown on the screen but in my eyes in the light of my mind I was able to discern the word Death instead Besides I saw drops of blood dribbling from the strikethrough word LIVE and those were the drops of my hatred towards the fallen mankind I was looking fantastic I was wearing a mask of a smiling hare with little ears and a Ku Klux Klan style robe with a pentagram on the chest and a fylfot on the place where the heart should be I was looking as a Devil coming down from the Heavens Or rather coming up from Hell I came to this abominable fallen world in order to bring the Last Judgment and to save everyone from the Doomsday I was wearing twisted horns like Satan s and wings of light like Lucifer s My eyes were deep and expressive like a pure lake in a bright day They reminded the eyes of aliens that people used to draw in their comic books Those merry green creatures Besides I was wearing bright shoes rather than shabby sandals like that Jesus the Carpenter who was crucified by moronic Unicellulars and then proclaimed their Great God The God of foolishness and complete idiocy In the shoes there weren t my legs as Shaitan occupied my human body The one I had occupied before And now these legs were carrying me in the opposite

direction from the mankind and ignorance In the direction of aliens On that wonderful day I was holding not a baseball bat or a spade or a sword in my hand I was holding an exquisite Champion petrol powered saw of the latest 137 model by the way the company was named after me Drops of still warm blood of Unicellulars were trickling down from it In the other hand I was holding Serpent headed Hermes Warder It was the warder of Gods Herald Consoler and Holy Spirit which is mentioned in all Buddhist Christian Muslim Pagan and other books My name was Maytreya For those who don t know it I would explain Maytreya is Great Prophet God of new world order Maytreya is a unique bodhisattva honoured by all the branches of Buddhism The prophecies said that he would be memorized as a wrathful defender of the faith And it will really happen mark my words He will come from the East with a symbol of his Realm He has already come In a letter to Caesar Michel Nostradamus indicated the time of my coming One day people s ignorance will be over and that day the supremacy of the greatest enlightenment
