Fire From Heaven Alexander The Great 1 Mary Renault:

Fire from Heaven Mary Renault, 2014-08-07 The Alexander Trilogy contains some of Renault's finest writing. Lyrical, wise, compelling, the novels are a wonderful imaginative feat. SARAH WATERS The Alexandriad is one of the twentieth century's most unexpectedly original works of art. GORE VIDAL In the first novel of her stunning trilogy Mary Renault vividly imagines the life of Alexander the Great, the charismatic leader whose drive and ambition created a legend. Alexander's beauty, strength, and defiance were apparent from birth, but his boyhood honed those gifts into the makings of a king. His mother and father, Olympias and King Philip of Macedon, fought each other for their son's loyalty, teaching Alexander politics and vengeance from the cradle. Hephaestion's love taught him trust, while Aristotle's tutoring provoked his mind, and Homer's Iliad fuelled his aspirations. At age twelve he killed his first man; in battle at sixteen he became regent; at eighteen commander of Macedon's cavalry, and by the time his father was murdered, Alexander's skills had grown to match his fiery ambition. **SHORTLISTED FOR THE 1970 LOST BOOKER PRIZE INTRODUCED BY TOM HOLLAND** This is not just a novel; it's also the best imagining we are ever likely to have of a man who tore up history. EMILY WILSON GUARDIAN The Alexander Trilogy stands as one of the most important works of fiction in the twentieth century. ANTONIA SENIOR THE TIMES [Brill's Companion to the Reception of Alexander the Great](#), 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas. Arguably no other historical figure has cast such a long shadow for so long a time. Every civilisation touched by the Macedonian Conqueror, along with many more that he never imagined, has scrambled to own some part of his legacy. This volume canvasses a comprehensive array of these receptions, beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure. [Perspective in British Historical Fiction Today](#) Neil McEwan, 1987-06-18 **Alexander the Great** Arrian, 2013-02-14 Arrian's account of Alexander's life and campaigns, published as the Anabasis and its companion piece the Indica, is our prime source for the history of Alexander, told with great narrative skill. This edition features a new translation of both texts, introduction, notes, guide to military systems and terminology, maps, and a full index. **The Masks of Mary Renault** Caroline Zilboorg, 2013-10-10 Born Eileen Mary Challans in London in 1905, Mary Renault wrote six successful contemporary novels before turning to the historical fiction about ancient Greece for which she is best known. While Renault's novels are still highly regarded, her life and work have never been completely examined. Caroline Zilboorg seeks to remedy this in *The Masks of Mary Renault* by exploring Renault's identity as a gifted writer and a sexual woman in a society in which neither of these identities was clear or easy. Although Renault's life was anything but ordinary, this fact has often been obscured by her writing. The daughter of a doctor, she grew up comfortably and attended a boarding school in Bristol. She received a degree in English from St Hugh's College in Oxford in 1928 but she chose not to pursue an academic

career Instead she decided to attend the Radcliffe Infirmary in Oxford where she trained to be a nurse With the outbreak of the Second World War she was assigned to the Winford Emergency Hospital in Bristol and briefly worked with Dunkirk evacuees She went on to work in the Radcliffe Infirmary's brain surgery ward and was there until 1945 It was during her nurse's training that Renault met Julie Mullard who became her lifelong companion This important lesbian relationship both resolved and posed many problems for Renault not the least of which was how she was to write about issues at once intensely personal and socially challenging In 1939 Renault published her first novel under a pseudonym in order to mask her identity It was a time when she was struggling not only with her vocation nursing and writing but also with her sexual identity in the social and moral context of English life during the war In 1948 Renault left England with Mullard for South Africa and never returned It was in South Africa that she made the shift from her early contemporary novels of manners to the mature historical novels of Hellenic life The classical settings allowed Renault to mask material too explosive to deal with directly while simultaneously giving her an academic freedom to write about subjects vital to her among them war peace career women's roles female and male homosexuality and bisexuality Renault's reception complicates an understanding of her achievement for she has a special status within the academic community where she is both widely read and little written about Her interest in sexuality and specifically in homosexuality and bisexuality in fluid gender roles and identities warrants a rereading and reevaluation of her work Eloquently written and extensively researched *The Masks of Mary Renault* will be of special value to anyone interested in women's studies or English literature *A Hebrew Alexander Romance According to MS London, Jews' College No. 145* Leo (Archipresbyter), 1992 The reader is presented here with a study of the text of a Hebrew manuscript which is a medieval version of the Alexander Romance or the legendary history of Alexander the Great The Hebrew text in this unique manuscript known as MS London is a translation of the *Historia de Preliis Alexandri Magni* a widespread Latin version on the Alexander Romance The Latin text was very useful for establishing an almost complete text of the London version and for identifying names and terms A comparison of our text with other Hebrew sources on Alexander was of similar help in establishing a correct reading The introduction which precedes the text and the English translation offers a survey of research into the history and development of Alexander traditions in Greek Latin and Hebrew literature as well as a detailed analysis of the present text concerning its language style and themes This study is concluded by selective notes to the text and indices on personal and geographical names and foreign terms with their Latin equivalents

Alexander the Great John Boardman, 2021-06-15 Alexander's defeat of the Persian Empire in 331 BC captured the popular imagination inspiring an endless series of stories and representations that emerged shortly after his death and continues today An art historian and archaeologist Boardman draws on his deep knowledge of Alexander and the ancient world to reflect on the most interesting and emblematic depictions of this towering historical figure 0Some of the stories in this book relate to historical events associated with Alexander's military career and some to the fantasy that has been woven

around him and Boardman relates each with his customary verve and erudition From Alexander's biographers in ancient Greece to the illustrated Alexander Romances of the Middle Ages to operas films and even modern cartoons this generously illustrated volume takes readers on a fascinating cultural journey as it delivers a perfect pairing of subject and author

Funeral Games Mary Renault, 2014-08-07 The Alexander Trilogy contains some of Renault's finest writing Lyrical wise compelling the novels are a wonderful imaginative feat SARAH WATERS In the final novel of her stunning trilogy Mary Renault vividly imagines the life of Alexander the Great the charismatic leader whose drive and ambition created a legend Alexander the Great died at the age of thirty three leaving behind an empire that stretched from Greece and Egypt to India After Alexander's death in 323 B C his only direct heirs were two unborn sons and a simpleton half brother Every long simmering faction exploded into the vacuum of power Wives distant relatives and generals all vied for the loyalty of the increasingly undisciplined Macedonian army Most failed and were killed in the attempt For no one possessed the leadership to keep the great empire from crumbling But Alexander's legend endured to spread into worlds he had seen only in dreams Mary Renault is a shining light to both historical novelists and their readers HILARY MANTEL The Alexander Trilogy stands as one of the most important works of fiction in the 20th century Renault's skill is in immersing us in their world drawing us into its strangeness its violence and beauty Antonia Senior The Times [Best Sellers](#), 1975 [Turkish Waters and Cyprus Pilot](#) Rod and Lucinda Heikell, 2018-12-31 Turkish Waters and Cyprus Pilot covers the entire coast of Turkey from the Black Sea down the Aegean coast and around to the Syrian border The coasts ports and marinas of the island of Cyprus are also described There are few more beautiful cities in the world that it is possible to sail into the heart of but that is what the
