Peter Block, 2023-04-25 An expert discussion of the timeless fundamentals and latest tools that form the foundation of successful influencing. Renowned consultant and author Peter Block delivers the latest and fourth edition of his best-selling *Flawless Consulting*, an intuitive and insightful step-by-step guide to the five phases of effective consulting. The book offers a deep exploration of the skills, tools, and behaviors required to successfully influence others. You'll see exactly what you need to say and do to help others achieve their goals, whether you are an internal or external consultant or anyone in a leadership position who wants to build effective partnerships in business, healthcare, education, or community work. Along with newly updated examples, case studies, stories, and suggestions for putting the *Flawless Consulting* process into everyday practice, you'll find a new section for consultants living in a highly virtual world that explains how to achieve authentic engagement with your clients in virtual and hybrid environments. Invaluable information for leaders and internal consultants operating within their organizations. Concise and digestible techniques for successful contracting and discovery. For over 40 years, *Flawless Consulting* has been the go-to guide to building trust and structuring meaningful partnerships with others for greater influence and impact. This latest edition ensures that the book will remain the gold standard in the industry for many years to come. **Stewardship**

Peter Block, 2013-05-20 Revised and expanded, this classic guide to business leadership presents an original and profound new view on how to run an organization. Library Journal. Despite all the evidence calling for change, most organizations still rely on patriarchy and control as their core form of governance. The result is that they stifle initiative and spirit and alienate people from their work. In *Stewardship*, Peter Block calls for a dramatic shift in how we distribute power, privilege, and the control of money. *Stewardship*, he writes, is the willingness to be accountable for the well-being of the larger organization by operating in service rather than in control of those around us. Block has revised and updated the book throughout, including a new introduction addressing what has changed and what hasn't in the twenty years

since the book was published It also includes a new chapter on applying stewardship to the common good of the wider community Speaking in practical terms about how stewardship transforms every function and department for the better Block also offers tactical advice on gearing up to implement these reforms
