## **Foreign Policy Analysis And Rational Choice Models:**

**Rethinking Foreign Policy Analysis** Stephen G. Walker, Akan Malici, Mark Schafer, 2011-01-26 Rethinking Foreign Policy Analysis presents the definitive treatment to integrate theories of foreign policy analysis and international relations addressing the agent centered micro political study of decisions by leaders and the structure oriented macro political study of state interactions in an international system

**Deutsche Außenpolitik** Gunther Hellmann, 2024-03-05 Der Schwerpunkt liegt auf einer problemorientierten Einführung anhand grundlegender theoretischer und methodischer Instrumentarien wie sie in der Außenpolitikanalyse zur Anwendung kommen Die Leserinnen sollen mit unterschiedlichen Herangehensweisen vertraut gemacht werden damit sie die Zusammenhänge zwischen theoretischen Perspektiven und entsprechenden Forschungsmethoden auf der einen Seite und konkreten Gegenständen der empirischen Analyse deutscher Außenpolitik auf der anderen Seite besser verstehen und dabei sowohl die Chancen wie auch die Grenzen der jeweiligen Perspektiven erkennen lernen

**Foreign Policy Analysis** Chris Alden, Amnon Arran, 2016-10-04 Building on the success of the first edition this revised volume reinvigorates the conversation between foreign policy analysis and international relations It opens up the discussion situating existing debates in foreign policy in relation to contemporary concerns in international relations and provides a concise and accessible account of key areas in foreign policy analysis that are often ignored Focusing on how foreign policy decision making affects the conduct of states in the international system and analysing the relationship between policy agency and actors the volume examines foreign policy and bureaucracies domestic sources of foreign policy foreign policy and the state foreign policy and globalization foreign policy and change Features of the second edition include a wider range of contemporary case studies and examples from around the globe analysis of new directions in foreign policy analysis including foreign policy implementation and the changing media landscape fully updated material across all chapters to reflect the evolving research agenda in the area This second edition builds on and expands the theoretical canvas of foreign policy analysis shaping its ongoing dialogue with international relations and offering an important introduction to the field It is essential reading for all students of foreign policy and international relations

**The Psychology of Foreign Policy** Christer Pursiainen, Tuomas Forsberg, 2021-10-16 This book focuses on foreign policy decision making from the viewpoint of psychology Psychology is always present in human decision making constituted by its structural determinants but also playing its own agency level constitutive and causal roles and therefore it should be taken into account in any analysis of foreign policy decisions The book analyses a wide variety of prominent psychological approaches such as bounded rationality prospect theory belief systems cognitive biases emotions personality theories and trust to the study of foreign policy identifying their achievements and added value as well as their limitations from a comparative perspective Understanding how leaders in world politics act requires us to consider recent advances in neuroscience psychology and behavioral economics As a whole the book aims at better integrating various psychological

theories into the study of international relations and foreign policy analysis as partial explanations themselves but also as facets of more comprehensive theories It also discusses practical lessons that the psychological approaches offer since ignoring psychology can be costly decision makers need to be able reflect on their own decision making process as well as the perspectives of the others Paying attention to the psychological factors in international relations is necessary for better understanding the microfoundations upon which such agency is based      **Foreign Policy** Steve Smith,Amelia

Hadfield,Timothy Dunne,2012-06-21 Foreign Policy is unique in that it combines theories actors and cases in one volume This approach encourages the reader to appreciate a balanced view of the theory and how foreign policy is carried out in the real world      International Relations and World Politics Kahlil Newton,2019-09-01 The world in which we are living in is passing through a great period of transition The human history is undergoing new experiences and experiments It is also to be noted in the study of international relations and world politics While one must duly recognise the uniqueness of certain events and developments we are more concerned with the processes and patterns of behaviour found in the world politics The importance of the study of international relations is more significant and urgent because the world is getting increasingly interdependent Relations among states have an ever widening and deepening impact on the economic intellectual and social conditions of our existence The study of international relations as an academic discipline would solve all over internal and international problems You can analyse and explain contemporary international phenomena including identifying and assessing the positions and interests of key international subjects      **The Horn Engaging the Gulf** Aleks

Ylönen,2023-12-28 This book discusses theoretical perspectives of analyzing the relations between the states and non state actors in the Horn of Africa and their counterparts in the Persian Gulf and the Middle East Crucially these relations are examined primarily from the perspective of the diplomatic economic and strategic agency of the African states and societal actors Here domestic political dynamics and local power play a significant role Aleks Ylönen provides a historically informed investigation of recent relations that involve the Gulf States and Türkiye's resurgent interest in the Horn Africa The analysis focuses on the post Arab Spring period following the Iran nuclear deal and the war in Yemen Featuring case studies from Ethiopia Somalia and Eritrea which highlight engagements of the Horn state and societal actors primarily with the Gulf States and Türkiye the study provides an empirical analysis of the interactions and connections between the two regions

**Elgar Encyclopedia of International Relations** Beate Jahn,Sebastian Schindler,2025-03-12 This Encyclopedia provides a comprehensive account of the theoretical and practical development of international relations Experts in the field examine the intellectual and political relevance of core concepts from liberalism and constructivism to war and conspiracy This title contains one or more Open Access chapters      *Integrating Cognitive and Rational Theories of Foreign Policy Decision Making* A. Mintz,2016-04-30 There are two dominant approaches to political decision making in general and foreign policy decision making in particular rational choice and cognitive psychology The essays here introduce and test the

poliheuristic theory of decision making that integrates elements of both schools The poliheuristic theory is able to account for the outcome and the process of decisions and integrates across levels of analysis individual dyad and group The collection focuses on both elements of the theory itself and also looks at how the theory can be used to better understand political decisions that were made in the past

The Syrian Crisis Dania Kolehmainen, 2020-08-20 This book analyzes the impact and relevance of the Syrian crisis on regional and international relations Developing into a proxy war the Syrian crisis has been a battleground for regional dominance It has also created an opportunity for new states to emerge on the world affairs scene Russia for instance had been keeping a low profile since the fall of the Soviet Union but took a leading role in the Syrian crisis reasserting itself against the West regionally The Syrian crisis has also been a catalyst in reshaping many interstate relations and allowing countries such as Russia Iran Turkey and China to play an increasingly important geopolitical role There have been many international ramifications to the Syrian crisis While the crisis led to an Iranian Russian rapprochement it was also a catalyst to more cooperation between Russia and Saudi Arabia more importantly it also forced states with opposing views about the crisis Turkey Iran and Russia to forge an alliance Further the crisis created tensions between the US and Turkey with China on the one hand balancing its interests between the Gulf and Iran whilst focusing on its ambitious Belt and Road Initiative and trying on the other hand to contain Islamic militancy in Syria The book looks at issues that are usually ignored when discussing Syria such as the strategic control over its hydrocarbon resources as well as the power of propaganda in portraying realities It features the use of non state actors by regional competing powers and the role of local councils in stabilizing the country The edited volume brings together contributions by authors with different backgrounds who present conflicting views reflecting the divergence between the various stakeholders about the Syrian crisis

**Understandings of Russian Foreign Policy** Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia's decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

*Lessons from Russia* Lee Marsden, 2018-10-08 Lee Marsden presents one of the most original and comprehensive analyses of US democracy promotion in Russia and argues that in order to understand the failings of democracy assistance in Russia it is necessary to understand the inter relation of macro and micro level policy The book introduces two new models of foreign policy analysis which increase understanding of both the formulation and implementation of foreign policy Furthermore it demonstrates how the promotion of democracy in Russia was substantially flawed due to implementation and the US foreign policy process

Temporal Horizons and Strategic Decisions in U.S.-China Relations Daniel Joseph Tauss, 2015-05-06 Using an

interdisciplinary social science approach Temporal Horizons and Strategic Decisions in US China Relations Between Instant and Infinite takes on the challenge of understanding the foreign policy decision process through the lens of the temporal horizon A temporal horizon is the distance into the future a decision maker prioritizes when evaluating outcomes and considering possibilities By looking at a number of recent key moments of US China relations that have immediate short term long term and far reaching implications the book considers which are predominant in the policy process Looking at the role of time as a factor in the decision making process is not new to political science but this book attempts to break down and articulate the process by looking at a range of specific time frames The book places special attention on future considerations in a variety of ways combining the insights of psychology economics and future studies to consider political science in a new manner
