Global Religious Movements Across Borders Stephen M. Cherry, Helen Rose Ebaugh, 2016-04-22 From global missionizing among proselytic faiths to mass migration through religious diasporas religion has traveled from one side of the world and back again It continues to play a prominent role in shaping world politics and has been a vital force in the continued emergence spread and creation of a transnational civil society Exploring how religious roots are shaping organizations that seek to aid people across political and geographic boundaries service movements this book focuses on how religious movements establish structures to assist people with basic human needs such as food clothing shelter education and health Examining a multitude of faith traditions with origins in different parts of the world seven contributing chapters with an introduction and conclusions by the senior author offer a unique discussion of the intersections between religious transnationalism and social movements

Associations Canada ,1991 *Doing Good Great* Willie Cheng, Sharifah Mohamed, Cheryl Tang, 2015 From migrant workers and media freedom to housing slums this book captures the gamut of social issues that plague Asia telling the stories behind thirteen committed individuals who have effected great change in their respective causes These stories are about the behemoths such as Dharma Master Cheng Yen from Taiwan and Sir Fazle Hasan Abed from Bangladesh who lead some of the world s largest nongovernmental organisations to Aki Ra from Cambodia and Sompop Jakantra from Thailand whose smaller teams have saved hundreds of lives from landmines and prostitution respectively The social heroes portrayed have pursued seemingly quotidian causes that citizens of developed countries may take for granted such as toilets in India decent housing for the poor in Hong Kong and mainly making life better for those whom society appears to have forgotten Reader Reviews The people working to address social issues are not always as well documented as the issues themselves it is important to bring an awareness of them into the mainstream media It s easy to become overwhelmed by societal injustice but these stories show that even when you can t count on your government to protect your rights individuals working in social justice can make positive change Camille Neale **AWARE** This book is an excellent snapshot of 12 Asian countries and their circumstances and challenges Cheong Suk Wai *The Straits Times* **The Courier** ,1987 European Community African Caribbean Pacific varies **ADA** ,1995-11 **The Short Film** George Rehauer, 1975 This book contains 500 short film listings Each entry contains information such as the title release date producer distributor running time genre suggested audience description and whether the film was shot in black and white or colour
