Who Was Jesus Conspiracy In Jerusalem By Kamal S Salibi:

Who Was Jesus? Kamal Salibi, 2007-04-27 An extraordinary and provocative examination of one of history's great unsolved mysteries: who or what was Jesus? The Gospels provide no direct answers and both the life of Jesus as it has been recorded for us and the teachings and activities of the Apostles are surrounded by baffling contradictions and inconsistencies. Salibi invites the reader to join him on a voyage of historical discovery to determine the true identity of the founder of Christianity. Where did Jesus really come from? Why do the Gospels pass over the greater part of his life? What of the principle founders of the Christian Church: St Peter and St Paul? It is known that after his conversion Paul went directly to Arabia rather than journeying to the apparent source and seat of the Christian movement: Jerusalem. Why? What did Paul discover in Arabia? What was the real source of tension and friction between Paul and Peter? What did Paul know about the real Jesus story which Peter at all costs wanted to keep hidden? What deal was eventually struck between them? No reader can fail to be carried along by the tantalising search for clues as Salibi attempts to unravel history's best kept secret: the true identity of Jesus.

The Originality of Jesus Per Bilde, 2013-08-14 For the first time in the history of modern Jesus research Per Bilde aims his scholarly interest at the originality of the historical Jesus. Accordingly he examines the historical Jesus and 14 contemporary Jewish/Palestinian figures who in one or more respects can be argued to be comparable to Jesus. He comes to the conclusion that Jesus can be regarded as similar to a number of these figures; however, some more than others, and that he appears to be unique in some other respects.

Black Christology and the Quest for Authenticity John H. McClendon III, 2019-05-03 *Black Christology and the Quest for Authenticity: A Philosophical Appraisal* constitutes a philosophical inquiry on Black Theology and its attendant Black Christology. Explicitly the philosophical examination of Black Theology conceptually maps its quest for establishing Black Christology as an authentic form within Christian theology. This text critically expounds on the methodologies and arguments which guide how Black Theology specifically affirms Black Christology as the definitive paradigm for authentic Christianity. Significantly the racialized character of Black Theology immediately sets this discourse within the context of philosophy of race. Clearly the philosophy of race in terms of its substance and scope is continually expanding. Notably the philosophy of religion in its conceptual association with the African American experience considerably enriches the content of the philosophy of race. Therefore *Black Christology and the Quest for Authenticity: A Philosophical Appraisal* stands as a unique contribution to philosophy of race. Summarily while this book tackles the formidable problem of Christian theological subject matter, nonetheless the reader must be aware that this is not a work executed methodologically in any theological manner inclusive of Christian theology. Subsequently while the object of our investigation substantively remains theological in character, the method of investigation is guided by philosophical inquiry which is based on secular principles. Furthermore although most mainstream works in philosophy of religion along with theology neglect to examine African American theologians and philosophers, the subject matter of Black Christology substantially facilitates in filling this

intellectual void *The Qur'an in Christian-Muslim Dialogue* Corrie Block, 2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Qur'an for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Qur'an itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Qur'an itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Qur'an and the history of Christian Muslim relations *Conspiracy in Jerusalem* Kamal Suleiman Salibi, 1988

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous
