*More Than a White Man's Religion* Abdu Murray, 2022-09-27 Though many today accuse Christianity of being a white imperialistic religion it is actually the source for cherished Western ideals of racial and gender equality In *More Than a White Man's Religion* author and speaker Abdu Murray shares stories from the Bible and his own experiences as a global apologist a member of an ethnic minority a son of immigrants and a former Muslim to show that the gospel message provides dignity and liberty to non whites and women *More Than a White Man's Religion* reveals The ethnically diverse roots of biblical stories and passages that inspired some of the greatest social reforms in history How challenging and sometimes confusing Bible passages and stories can be best understood to champion equality for ethnically diverse people and women Ways believers can bring real and lasting change to our culture's pervasive racial ethnic and gender equality issues by following Jesus and his followers examples Without overlooking the places where Christianity has failed to live up to its own ideals Murray challenges the myth that Christianity is an oppressive Western religion and shows believers how to better fulfill their God given mandate to uphold the dignity of every human being Tackling head on one of the most serious challenges to the Christian faith in our multicultural age *More Than a White Man's Religion* demonstrates how the gospel can inspire positive change for modern culture

biblically sound principles      **Vanishing Grace** Philip Yancey,2014-09-11 Why does the church stir up such negative feelings This is a question that Philip Yancey has been asking all his life for himself as a pilgrim for others as a journalist The question is more relevant now than ever in the UK Christianity continues to decline even as it is increasingly thought to be linked with intolerant fundamentalist attitudes Yet while identification with traditional forms of Christian religion is dropping indicators show that interest in spirituality is rising Why the disconnect Why are so many asking What s so good about the good news Yancey s lifelong writing career has always focused on the search for honest faith that makes a visible difference for a world in pain In his landmark book What s So Amazing about Grace he issued a benchmark call for Christians to be as grace filled in their behaviour as they are in asserting their beliefs People inside and outside the church are still thirsty for grace Yancey points out Perhaps what the church seemed to lack in its heyday is now in its increasingly marginalised stance exactly what it needs to recover in order to thrive Grace can bridge the gap across the movement away from Christianity inviting outsiders as well as insiders the chance to take a deep second look at why it matters and what could reignite its appeal to future generations How can Christians offer grace in a way that is compelling to a jaded society And how can they make a difference in a world of such wrenching need Vanishing Grace What Ever Happened to the Good News is a milestone book for all those who are striving to make sense of their faith and live it out amid the changing landscape of our day Philip explores how Christians may have contributed to hostility toward them by presenting the gospel in ways that come across as strident and judgemental Then he explores what kind of news is good to a culture that thinks it has rejected the Christian version And finally he offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics through pilgrims activists and artists rather than through preachers evangelists and apologists      The Truth About Islam Ibn El-Neil,2008-11-01 Non Muslims in Islamic countries are exposed to the religion of Islam 24 hours seven days a week for their entire life No freedom of choice here They hear five prayers between 6 00 AM and 8 00 PM everyday on radio television Loud Speakers and other public address systems that cover every square inch of the country whether they want to or not They get to hear the Koran recited for hours every day The non Muslim is a second class citizen who is not allowed to rule or hold key position in the country He can live in the abode of Islam as long as he doesn t preach his religions outside his community doesn t insult Islam or criticize the Prophet and he must pay a religion tax The punishment for leaving Islam is death most recently a young woman killed in Saudi Arabia and one in Jordan for leaving Islam Sept 2008 Islam gives its followers the right to kill non Muslims and take their wives children and possessions as a booty blessed by the Koran and the Hadith Only a Muslim man can legally lie to his wives and his enemies      Philip Yancey: Soul Survivor, Prayer, Vanishing Grace Philip Yancey,2018-03-08 Yancey s lifelong writing career has always focused on the search for honest faith that makes a visible difference for a world in pain In his landmark book What s So Amazing about Grace he issued a benchmark call for Christians to be as grace filled in their behaviour as they are in asserting their beliefs This collection sets out Yancey s search

for a life enhanced by faith instead of diminished by religion Having struggled to forge personal convictions about God amid the ironies of life and the incongruities of religion he looks closer at those whose lives radiate spiritual authenticity rather than pious posturing From Dostoevsky to Martin Luther King G K Chesterton to Paul Brand Yancey pays homage to some of the most remarkable selfless Christ like lives our world has known and asks what both he and we can do to find such beautiful faith in our own lives Multi award winning spirituality writer Philip Yancey is loved throughout the world for his honest insightful and inspirational writing

**Giving Account of Faith and Hope in Africa** John Samuel Pobee, 2017-07-10 What is African theology What are its distinctive traits and characteristics modes of investigation and style of expression Can African theology reach wider and run deeper than simple propositional articulation What concerns and special circumstances have shaped its outlook What unique burdens or hurdles imposed by the past must African theology surmount What challenges and opportunities lie before it What are African theology's prospects As a field of Christian engagement is it condemned to be only an appendage to theology imported from the West and the North Or does it have a distinctive contribution to make and gifts to share not just within the continent of Africa but also with the Christian world at large These questions exercise the mind and soul of the African church A worthy capstone to a lifetime of service as a theologian educator and ecumenical leader this volume offers John Samuel Pobee's considered and mature reflections on issues he raised nearly forty years ago when he published *Toward an African Theology*

*A World Without Color (Journey Series Book 2)* Cassandra Blizzard, 2014-12-06 Can One Book Change The World Possibly One of the most often posed questions I receive from clients and readers is Why is there so much evil in the world Why is there so much violence and hate The answer is simple Because we've forgotten who we are and why we are here on this planet That answer may sound like the preface to some airy fairy metaphysical book but it's not Understanding who we are is essential to living a balanced life I am talking of course about the human soul Whether or not you choose to believe in a human soul this book offers insight into the same question Why is there so much violence in the world What I will share in this book is one of the deepest most basic and yet most important principles that I learned during my *Seven Years of Surrender* It was the beginning so to speak The beginning of understanding And the principles in this book should be the foundation from which we all seek to understand ourselves and others If you have read my book *Seven Years of Surrender* then you know that I had an endless amount of time to do nothing but meditate and ponder the mysteries of life I'm not suggesting that I have all the answers Life is a continuous state of evolution an unfoldment of wisdom and understanding We all evolve through life I am not perfect I am not infallible But my tragedy was not for nothing I was willing to plunge into the depths of life and come out with a better understanding of myself

and the world around me I hope you will follow me through my book series and learn along with me as we grow together A World Without Color is a thought provoking book that is designed to cause a shift in consciousness It transcends race religion and borders with its world changing views It gets to the root of the issues that separate the people of the world and what separates us from true peace and happiness within ourselves Islam Saves Jesus Mohamed Moussa Ghounem,2022-12-17
