Confused Men, Frustrated Women Carl Snyder, 2019-09-13 Before you read this book you should know who Dr Snyder is and how he approaches his faith in Christ Dr Snyder is a lifelong student of the Bible who always asks What does the Bible say about that His concern is to understand what the Bible says to believe what it says and to obey what it says It is as simple as that and at the same time as profound as that For example Dr Snyder has led numerous people to the Lord yet he does not consider himself to be an evangelist He simply sees that we are supposed to be about the work of evangelism and so he obeys Dr Snyder is less than enthused about maintaining the administrivia of his church but since the Bible commands us to be good stewards he maintains the church's records fastidiously Dr Snyder is typically the smartest person in the room and yet if you stand in that room you would never know it It is not that he hides it behind false humility as so many intellectually gifted people do it is just that he simply does not care that he is the smartest person in the room This is what biblical humility looks like when it saturates the very core of a man's heart In short Dr Snyder is focused on believing in Jesus with all his heart and obeying Him in every aspect of life He comfortably inhabits the place between understanding what the Bible says and wisely implementing it in our lives and that is the place from which he preaches and teaches And that is also the place from which this book was written In reading this you will quickly see what I already know about Dr Snyder he is balanced thoroughly biblical and communicates with large doses of grace He is not given to extremes and doesn't have hobby horses that he focuses on to the exclusion of more important matters He stays focused on the Bible and what it means to live it out Anthony Papadakis ThM *Financial Breakthrough* Travis Moody, 2008-12-30 Travis Moody shares his personal story of how he went from being 100 000 in debt to debt free in just three years and the spiritual truths and biblical lessons he learned along the way Intended to help those who may be trapped by their debt situation *Financial Breakthrough* discusses why we get into debt how debt affects our lives what the Bible has to say about debt specific steps you can take to get out of debt and wealth building tips for a life after debt *Winning* Travis Moody, 2016-05-13 There is no question that life is definitely more fun when we win Unfortunately many of us are just drifting through life while often facing defeat at every turn We long to improve our relationships our health and our finances but for many of us it seems as though we are just getting by in life The good news is that God does not want us just to survive so that we can enjoy eternity God wants for us the same thing that we all want for ourselves to win in life He wants for us to win in our relationships in our health and in our finances This book will

help you do just that Winning begins with a brief self assessment that encourages honest reflection on the kinds of behaviors that trigger freedom peace and inner strength Travis Moody a former college athlete and corporate executive turned life coach and stewardship consultant relies on his personal experiences both good and bad to provide practical and spiritual advice intended to help you move from merely surviving to living a life of success and ultimately a life fulfilling your own unique purpose In this step by step guide you will learn how to win in every area of your life *Together Till the End* Lehlohonolo Lucas Mazindo, 2015-11-30 Together till the End A Blueprint for Successful Marriage was written with an intention to inspire couples all over the world to keep their marriages together until the end of time The high rate of divorce and domestic violence makes many people believe that marriage is a terrible thing but this book carries the truth that will bring hope to millions of people around the world It brings deep psychological insights and spiritual revelations that will open the readers eyes of understanding and bring restoration to broken marriages It highlights how our differences should work for us and not against us Despite the many challenges of life marriages can still thrive and this book was written to help you make it happen for your marriage Grineria Gbenga Richmond, 2012-08-30 Nigeria will be great again For the set time to favor her has come Read and spread the word By the year 2019 seven years from now God has promised the following Curb corruption by changing the leadership landscape in Nigeria Control poverty by transforming Nigeria into one of the truly rich nations of the world Check terrorism by chasing the Babylonians for our sakes But before we can key into these promises or get to the Promised Land we must follow Gods new blueprint for Nigeria This blueprint was revealed by divine inspiration to Gbenga Richmond an everyday youth who was looking forward to escaping to London in the year 2010 when the LORD arrested him His story bears some semblance with that of biblical Jonah Joseph Gideon and David In this riveting narrative he shares his frustrations divine encounter and the new blueprint for Nigeria Mastering the Power of your Emotions Elisha O. UNLEASH YOUR TALENTS Stephen Michael, This is a book that shows you how ordinary people with ordinary tools talents and skills built their talents from nothing to something great This book looks at some of the basic facts of life career talents and skills It attempts to answer some of the most difficult questions people ask about issues relating to talents and skills Stephen begins by sharing his own story and you will hear the stories of other people and how they tread the path to greatness and fulfillment When you are true reading this book you will become better equipped to live life effectively The Dangers of the Crowd Justus Izuchukwu Onuh,2019-09-19 The book The Danger of the Crowd evokes a feeling of agoraphobia by its title but upon reading the content one would be accompanied into a world of anamnesis by a reflective seminarian whose creative mind is second to none The book is premised in the uniqueness of an individual and his inherent potential of making it to the high echelons of life without necessarily being a man of the crowd that is someone whose decisions and actions are being determined by the crowd Suffice it to say that greatness evolves from singleness in the right disposition of it while failure might take its root from the influence of the crowd By dint of birth we are launched into the world just as death takes us away from the world The two events are imperative accounts of our mission here on earth and they are divine calls which must be answered by an individual alone This makes our individualities a necessary seed to fertilize the larger goal of life our life s purpose Aptly Izuchukwu Onuh uses eagle eyes to narrate the contemporary challenges in our society which stem from our personal lifestyles and misunderstood self identities and how these challenges blunt the edges of our social life and make the social system a rotten one Deploying moving stories and garnished styles of writing he calls our minds to a life of quietude and solitude the very state in which God can be encountered and good decisions made A masterpiece this book is as timely as it is all round nourishing especially in the present Nigerian situation

that is challenged daily by noise many speakers and few listeners Take this book and do a simple exercise withdraw from talking and listen to the author s voice and your own responding voice that would soon form a paragon a promising breed
