Kapsis, 2020-10-16 In the late 1950s Mike Nichols 1931 2014 and Elaine May b 1932 soared to superstar status as a sketch comedy duo in live shows and television After their 1962 breakup both went on to long and distinguished careers in other areas of show business mostly separately but sporadically together again In Nichols and May Interviews twenty seven interviews and profiles ranging over more than five decades tell their stories in their own words Nichols quickly became an A list stage and film director while May like many women in her field often found herself thwarted in her attempts to make her distinctive voice heard in projects she could control herself Yet in recent years Nichols s work as a filmmaker has been perhaps unfairly devalued while May s accomplishments particularly as a screenwriter and director have become more appreciated leading to her present widespread acceptance as a groundbreaking female artist and a creative genius of and for our time Nichols gave numerous interviews during his career and editor Robert E Kapsis culled hundreds of potential selections to include in this volume the most revealing and those that focus on his filmmaking career May however was a reluctant interview subject at best She often subverted the whole interview process producing instead a hilarious parody or even a comedy sketch with or without the cooperation of the sometimes oblivious interviewer With its contrasting selection of interviews conventional and oddball this volume is an important contribution to the study of the careers of Nichols and May

*The Unruly Life of Woody Allen* Marion Meade, 2014-04-01 A psychologically nuanced tough minded portrait of the New York filmmaker and his relationships with Mia Farrow and Soon Yi Previn Publishers Weekly Writer director actor humorist Woody Allen stands as one of our era s most celebrated artists Starting in the 1950s Allen began crafting a larger than life neurotic persona that has since entertained and enlightened millions In his films widely thought to be autobiographical explorations of his own comic fears and fixations Allen carefully controlled the public s view of him as a lovable scamp But that all came crashing down the day Mia Farrow found a Polaroid on her mantle What followed was a flurry of sensational headlines and legal battles His relationship with Soon Yi Previn thirty four years his junior and the step daughter of his longtime girlfriend caused shockwaves in the public s perception of the director yet few biographers and journalists have explored what happened and why In this the first deep investigation of Allen s life and the events surrounding his split with Farrow biographer Marion Meade tracks down dozens of friends actors neighbors and film historians They open up with insights and details rare in the world of wealth and celebrity What results is a fascinating portrait of a flawed genius as adept at constructing his own image as he is at crafting films Rereleased and updated this is an unauthorized biography that neither Woody Allen s fans nor his detractors will be able to put down The revised and updated edition was reviewed in the Wall Street Journal in 2013 by Carl Rollyson in a roundup of the five best Hollywood biographies **Ganz nebenbei** Woody Allen, 2020-03-25 Ganz nebenbei ist Woody Allens weitgespannter R ckblick auf das eigene Leben und Werk Er zeichnet die

Stationen einer Karriere auf der Bühne vor und hinter der Kamera und als Autor nach und gibt Auskunft über seine Jugend, seine Familie und Freunde wie über die Lieben seines Lebens
