<b>Welding Areas and Operations</b>	<b>Assessor</b>

This core checklist is provided by the Health and Safety Department as a template, which provides a basic framework for the conduct of a school self-inspection of the type of environment indicated. Further background information to the subject areas covered can be found in the central University Health and Safety Policy and, in particular, in **Part 4 (Mechanical Equipment)**. Reference to the Policy should assist in any required amendment / expansion of this template in order to tailor it to individual requirements, as will reference to key HSE guidance in the area in question, which can be obtained from Health and Safety Department (51-4255; [Health.Safety@ed.ac.uk](mailto:Health.Safety@ed.ac.uk)) .
