Young Sikhs in a Global World Knut A. Jacobsen, Kristina Myrvold, 2016-03-09 In attempting to carve out a place for themselves in local and global contexts young Sikhs mobilize efforts to construct choose and emphasize different aspects of religious and cultural identification depending on their social setting and context Young Sikhs in a Global World presents current research on young Sikhs with multicultural and transnational life styles and considers how they interpret shape and negotiate religious identities traditions and authority on an individual and collective level With a particular focus on the experiences of second generation Sikhs as they interact with various people in different social fields and cultural contexts the book is constructed around three parts family and home public display and gender and reflexivity and translations New scholarly voices and established academics present qualitative research and ethnographic fieldwork and analyse how young Sikhs try to solve social intellectual and psychological tensions between the family and the expectations of the majority society between Punjabi culture and religious values

Esotericism in Western Culture Wouter J. Hanegraaff, 2025-05-29 This accessible introduction by the world's leading expert explains why the study of esotericism is not a marginal pursuit but belongs at the center of modern research in the humanities Reflecting updates in the field since the foundational publication Western Esotericism A Guide for the Perplexed 2013 Wouter J Hanegraaff demonstrates that the exclusion of rejected knowledge from normative accounts of Western civilization is the reflection of a narrow Eurocentric ideology that became the template for discrediting and ultimately destroying so called primitive cultures associated with superstition and pagan idolatry during the global colonial age Rejecting this rejection of rejected knowledge means restoring the suppressed to its legitimate place in history and cultural analysis Through this approach Wouter J Hanegraaff depicts a radically inclusive vision of the Greater West and its forgotten histories from pagan antiquity through Jewish Christian and Islamic cultures up to secular modernity and beyond

Global Climate Constitutionalism "from below" Manuela Niehaus, 2023-12-26 Global climate constitutionalism is seen as a possible legal answer to the social and political unwillingness of states to effectively tackle climate change as a global problem The constitutionalisation of international climate law is supposed to ensure greater participation of non state actors such as NGOs or individuals and a rollback of state sovereignty where states do not care about meeting their climate commitments This book addresses the question of whether non state actors such as NGOs or individuals create international climate law through so called climate change litigation Against the background of Peter H berle's theory of the open society of constitutional interpreters four selected cases Urgenda v Netherlands Leghari v Pakistan Juliana v United States of America Future Generations v Colombia are used to examine how actors not formally recognized as subjects of international law re interpret national and international law and thereby contribute to the constitutionalisation of the international climate law regime

Islam and Other Religions Irfan Omar, 2013-09-13 This collection of essays assesses various dimensions of dialogue between Islam and other religions especially Christianity This book celebrates the work of Professor Mahmoud Ayoub and reflects the themes that are central in his scholarship spanned over the last three decades and which are more relevant than ever at the inauguration of the twenty first century The themes reflected are the Qur'an and hadith theology and philosophy and Islam's interaction with other religions Ayoub needs no introduction to those familiar with and engaged in inter religious dialogue in general and Muslim Christian Jewish dialogue in particular He is a well known Muslim scholar and historian of religion currently director of the Islamic studies program in the department of religion at Temple University in Philadelphia His broad area of interest is of course Islamic studies but he has also exerted considerable scholarly efforts in comparative religion As evidenced from Dr Ayoub's works he moves with ease between philosophy and mysticism scripture and tradition and between Islam and other religions As a Muslim Ayoub has provided a model of being religious which combines openness to others without compromising rigorous historical scholarship Contributors to this volume include some of his close friends and colleagues as well as former students both Muslim and Christian This book was previously published as a special issue of *Islam and Christian Muslim Relations*

Comparing Faithfully Michelle Voss, 2016-09-01 Every generation of theologians must respond to its context by rearticulating the central tenets of the faith Interreligious comparison has been integral to this process from the start of the Christian tradition and is especially salient today The emerging field of comparative theology in which close study of another religious tradition yields new questions and categories for theological reflection in the scholar's home tradition embodies the ecumenical spirit of this moment This

discipline has the potential to enrich systematic theology and by extension theological education at its foundations The essays in *Comparing Faithfully* demonstrate that engagement with religious diversity need not be an afterthought in the study of Christian systematic theology rather it can be a way into systematic theological thinking Each section invites students to test theological categories to consider Christian doctrine in relation to specific comparisons and to take up comparative study in their own contexts This resource for pastors and theology students reconsiders five central doctrines of the Christian faith in light of focused interreligious investigations The dialogical format of the book builds conversation about the doctrine of God theodicy humanity Christology and soteriology Its comparative essays span examples from Hindu Buddhist Jewish Muslim Jain and Confucian traditions as well as indigenous Aztec theology and contemporary spiritual but not religious thought to offer exciting new perspectives on Christian doctrine

Nonviolence in the World's Religions Jeffery D. Long, Michael G. Long, 2021-09-23 The twenty first century began with the terrorist attacks of September 11 2001 Much has been written and debated on the relationship between faith and violence with acts of terror at the forefront However the twentieth century also gave rise to many successful nonviolent protest movements *Nonviolence in the World's Religions* introduces the reader to the complex relationship between religion and nonviolence Each of the essays delves into the contemporary and historical expressions of the world's major religious traditions in relation to nonviolence Contributors explore the literary and theological foundations of a tradition's justification of nonviolence the ways that nonviolence has come to expression in its beliefs symbols rituals and other practices and the evidence of nonviolence in its historic and present responses to conflict and warfare The meanings of both religion and nonviolence are explored through engagement with nonviolence in Hindu Buddhist Chinese Sikh Jewish Christian Islamic Jain and Pacific Island religious traditions This is the ideal introduction to the relationship between religion and violence for undergraduate students as well as for those in related fields such as religious studies peace and conflict studies area studies sociology political science and history

The Oxford Handbook of Religious Diversity Chad V. Meister, 2010-10-01 There exists today a rich and abounding diversity of religions in the world a diversity with respect to both belief and practice But it is a diversity that poses many challenges and raises many questions most especially in a pluralistic milieu How do we engage in effective dialogue with religious others What should public education reflect in a religiously pluralistic context What role might the diversity of religions play in developing a global ethic How do the various religious traditions deal with the plurality of religious belief and practice What role does gender play in such discourse The *Oxford Handbook of Religious Diversity* is a volume of thirty three original chapters that cover numerous issues in religious diversity and draw readers into the heart of the current dialogue It is divided into three parts *Contours of Religious Diversity* *Key Issues Relevant to Religious Diversity* and *Differing Perspectives on Religious Diversity* Chapters in the first part trace the general features of religious diversity discussions from four different fields history religious studies philosophy and sociology Part two explores key theological philosophical sociological and public policy issues relevant to

religious diversity The third and final part provides differing analyses of religious diversity from multi faith gender and global points of view An indispensable guide for scholars and students the Handbook makes a state of the art contribution to the field with essays crafted by experts representing a wide variety of religious and philosophical perspectives **The Ashgate Research Companion to Anthropology** Andrew J.
