Oludamini Ogunnaike,2020-10-26 This book is an in depth comparative study of two of the most popular and influential intellectual and spiritual traditions of West Africa Tijani Sufism and Ifa Employing a unique methodological approach that thinks with and from rather than merely about these traditions Oludamini Ogunnaike argues that they contain sophisticated epistemologies that provide practitioners with a comprehensive worldview and a way of crafting a meaningful life Using theories belonging to the traditions themselves as well as contemporary oral and textual sources Ogunnaike examines how both Sufism and Ifa answer the questions of what knowledge is how it is acquired and how it is verified Or more simply What do you know How did you come to know it How do you know that you know After analyzing Ifa and Sufism separately and on their own terms the book compares them to each other and to certain features of academic theories of knowledge By analyzing Sufism from the perspective of Ifa Ifa from the perspective of Sufism and the contemporary academy from the perspective of both this book invites scholars to inhabit these seemingly foreign intellectual traditions as valid and viable perspectives on knowledge metaphysics psychology and ritual practice Unprecedented and innovative Deep Knowledge makes a significant contribution to cross cultural philosophy African philosophy religious studies and Islamic studies Its singular approach advances our understanding of the philosophical bases underlying these two African traditions and lays the groundwork for future study *African Myths* Shahrukh Husain,2006 The nine stories in this collection are taken from the rich tradition of African legend and feature themes ranging from creation to the afterlife from the natural world to magic and the supernatural and from gods and heroes to monster and ogers Fast paced yet clearly and lyrically told these myths offer the reader a fascinating glimpse into African cultures both past and present from the Yoruba peoples of Nigeria the Mbundu peoples of Angola to the Shona clans of Zimbabwe Book jacket **Sankofa** Amenyedzi, Seyram B.,Maton, Yosi
