**The Basics of Christianity** Robert Kelsey,2023-07-25 About the Book And now for the rest of the story The Basics of Christianity remedies the fact that most Sunday morning sermons fall far short of telling the whole story for the simple fact that most of the tellers don t know the whole story If one has a desire to be a Serious Minded Christian it is important to hear the whole story and how one is to apply this information to one s life About the Author Robert Kelsey is a retired pipeline oilfield welder and inspector He has always had an interest in reading the Bible but couldn t make much sense of it until he was given a modern English language Bible where he found out that it is basically a copy of a contract covenant or testament between God and man Paul Harvey told Robert one day that if he would spend fifteen minutes a day studying any given subject he would be an expert in that area in two years Robert increased the time and set out to spend at least two hours studying the Bible every day and had done so for more than ten years to date The two most important revelations he has received are the fact that God poured out His Spirit on men to make His words know to us Proverbs 1 23 and it is to our advantage to have the Spirit of wisdom and revelation in the knowledge of Him working in our lives Proverbs 1 17 20 Jesus has given to us the keys to the kingdom of heaven and it is what we choose to do with those keys that opens our understanding to what the Bible is saying to us

**Grace-Full Business Devotional** Evan K. Beecham,2022-08-01 Identity theft is said to be the number one crime in the world so we do everything we can to protect our identity from theft To lose our identity to a thief is a devastating thought The first act of identity theft occurred in the Garden of Eden This incident affected every human ever born Losing our identity not knowing who we really are is like spending our lives groping in the dark searching for a light to help us discover ourselves Everyone has been exposed to some set of rules to live by with the promise of self discovery People spend their entire lives in the

endless pursuit of who am I really why am I here and what is the purpose of life Then when we encounter a difficulty we ask ourselves was that God the devil or me Always trying to earn or qualify ourselves as good enough for God we re never really sure if it worked but we sure are working ourselves to death trying There cannot be true peace or rest in living this way Our identity crisis affects our passions or what we do in our lives our businesses and our occupations There is a discovery of the truth that will absolutely transform your life It will open your eyes inspire your God given talent and ignite your passion When my eyes were opened to this truth in 2008 I experienced joy and genuine peace like I never really knew existed except maybe in a dream This truth so radically changed the way I thought which only the unconditional love and great grace of God can do This book is dedicated to those who have struggled with life because of identity theft If we don t know who we really are then we won t know just how priceless accepted and loved we really are I have written this book with great excitement to share this life we all have been looking for and just how fulfilling our businesses and occupations can be fulfill your passions a gift from God your redemption is complete in Christ Jesus Let the journey to freedom begin today
