recovering addict David Carr was in the prime of his career when he suffered a fatal collapse in the newsroom of The New York Times in 2015 Shattered by his death his daughter Erin Lee Carr at age twenty seven an up and coming documentary filmmaker began combing through the entirety of their shared correspondence 1 936 items in total in search of comfort and support What started as an exercise in grief quickly grew into an active investigation Did her father s writings contain the answers to the question of how to move forward in life and work without her biggest champion by her side How could she fill the space left behind by a man who had come to embody journalistic integrity rigor and hard reporting whose mentorship meant everything not just to her but to the many who served alongside him All That You Leave Behind is a poignant coming of age story that offers a raw and honest glimpse into the multilayered relationship between a daughter and a father Through this lens Erin comes to understand her own workplace missteps existential crises and relationship fails While daughter and father bond over their mutual addictions and challenges with sobriety it is their powerful sense of work and family that comes to ultimately define them This unique combination of Erin Lee Carr s earnest prose and her father s meaningful words offers a compelling read that shows us what it means to be vulnerable and lost supported and found It is a window into love with all of its fierceness and frustrations Thank you Erin for this beautiful book Now I am going to steal all of your father s remarkable advice and tell my kids I thought of it Judd Apatow *Laat je niet gek maken door je werk* Cate
