**At Home with Grief** Blake Paxton,2018-01-19 What would you say to a deceased loved one if they could come back for one day What if you can t just move on from grief At Home with Grief Continued Bonds with the Deceased chronicles Blake Paxton s autoethnographic study of his continued relationship with his deceased mother In the 90s Silverman Klass and Nickman argued that after the death of a loved one the bond does not have to be broken and the bereaved can find many ways to connect with memories of the dead Building on their work many other bereavement scholars have discussed the importance of not treating these relationships as pathological and have suggested that more research is needed in this area of grief studies However very few studies have
