Who Killed Karkare:

Who Killed Karkare? S.M. Mushrif, Political violence or terrorism by State as well as by non State actors has a long history in India The allegation that sections of and individual Indian Muslims indulged in terrorism surfaced for the first time with the ascent of the Hindutva forces in mid 1990s and became state policy with the BJP s coming to power at the Centre With even secular media joining the role as stenographers of security agencies this became an accepted fact so much so that common Indians and even many Muslims started believing in this false propaganda This book by a former senior police officer with a distinguished career that included unearthing the Telgi scam peeps behind the propaganda screen using material mostly in the public domain as well as his long police experience It comes out with some startling facts and analysis the first of its kind to expose the real actors behind the so called Islamic terrorism in India whose greatest feat was to murder the Maharashtra ATS chief Hemant Karkare who dared to expose these forces and paid with his life for his courage and commitment to truth While unearthing the conspiracy behind the murder of Karkare this book takes a hard look at some of the major incidents attributed to Islamic terrorism in India and finds them baseless **Outlook** ,2008-11-24

The Men Who Killed Gandhi Manohar Malgonkar, Pramod Kapoor, 2008-01-01 The Men Who Killed Gandhi by Manohar Malgonkar takes readers back into the pages of Indian history during the time of the partition featuring the murder plot and assassination of Mahatma Gandhi The Men Who Killed Gandhi is a spellbinding non fictional recreation of the events which led to India s partition the eventual assassination of Gandhi and the prosecution of those who were involved in Gandhi s murder This historical reenactment is set against the tumultuous backdrop of the British Raj Malgonkar s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination There is no doubt that Mahatma Gandhi played a leading role in obtaining independence from the British But the problems that ensued afterwards such as the structural rebuilding of the country and the Partition led to many riots massive migrations and deep racial and cultural divides Not everyone agreed with Gandhi and his ideals As a result a plot to assassinate Gandhi was devised by six individuals named Narayan Apte Gopal Godse Madanlal Pahwa Digambar Badge and Nathuram Godse This was eventually carried out in New Delhi on the 30th of January 1948 Eventually these six individuals were tried and convicted Four of them received life sentences while two of them received the death penalty The first publication of The Men Who Killed Gandhi occurred in 1978 during the Emergency years As a result Malgonkar omitted many vital facts including Dr Ambedkar s role in minimizing Savarkar s criminal conviction This 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from National Archives After the four individuals who were convicted for Gandhi s murder completed their life sentences they were interviewed by Malgonkar These individuals revealed many details to him which were never known before The author also received access to the Kapur Commission from his friend Mr Nayar who was in the Indian Police Service As a result The Men Who Killed Gandhi is

considered the most historically accurate account of Gandhi's assassination plot **Who Killed Karkare?** S. M. Mushrif, 2009 Political violence or terrorism by State as well as by non State actors has a long history in India The allegation that sections of and individual Indian Muslims indulged in terrorism surfaced for the first time with the ascent of the Hindutva forces in mid 1990s and became state policy with the BJP's coming to power at the Centre With even secular media joining the role as stenographers of security agencies this became an accepted fact so much so that common Indians and even many Muslims started believing in this false propaganda This book by a former senior police officer with a distinguished career that included unearthing the Telgi scam peeps behind the propaganda screen using material mostly in the public domain as well as his long police experience It comes out with some startling facts and analysis the first of its kind to expose the real actors behind the so called Islamic terrorism in India whose greatest feat was to murder the Maharashtra ATS chief Hemant Karkare who dared to expose these forces and paid with his life for his courage and commitment to truth While unearthing the conspiracy behind the murder of Karkare this book takes a hard look at some of the major incidents attributed to Islamic terrorism in India and finds them baseless Veer Savarkar Father of Hindu Nationalism Jaywant Joglekar, 2006-10-01 Great leaders of the past century dominated Indian political scene for a decade or two But Savarkar's name shines brightly from 1900 to 1966 Ganghiji said No independence without Hindu Muslim unity But Pakistan was created When the late Prime Minister Nehru chided the Hindu nationalists for advocating Hindu Raj Savarkar said The choice therefore is not between two sets of personalities but between two ideologies not Indian Raj or Hindu Raj but Muslim Raj or Hindu Raj Akhand Hindustan or Akhand Pakistan He knew Savarkar personally and wrote his biography in Marathi The English version Veer Savarkar Father of Hindu Nationalism has been done now Savarkar's biography enables the reader to understand the politics of the last century **The Great Indian Conspiracy** Dr. Praveen Tiwari, 2019-03-18 Saffron terrorism Is it a fact Or is this a myth After all do we know enough The shocking blasts of Malegaon and Samjhauta were projected as saffron terrorism A new theory terrorist attacks were tainted as such till a few years later Kasab's confession offered solid proof of Pakistan's role in the 26/11 attacks Though the police had concluded a Pakistani hand for the earlier blasts it was saffron terrorism which prevented the perpetrators of these attacks from being brought to justice As a theory saffron terrorism is not just hurting Hindus sentiments but is also an obstacle to fight real terrorism sponsored by Pakistan and Islamic states The term was coined by the erstwhile UPA government to garner minority votes and manipulate the vote bank After all why were the Malegaon accused SIMI activists let off Why did certain politicians declare not to oppose their bail What was truly behind Aseem's confession The reliability of these confessions was questionable given the police brutality that the National Investigative Agency exposed Journalist Praveen Tiwari explores saffron terrorism and reveals through exclusive interviews of senior National Investigative Agency officials undercover agents and politicians how vote bank politics can compromise ethics and national security Should the real masterminds behind the blasts be allowed to go

scot free Should the manipulators of the Samjhauta Express bombings not be held accountable Should we not investigate those who had exonerated Pakistan of its guilt An extensive research on communal politics the book offers indisputable evidence of the saffron terrorism theory as the Great Indian Conspiracy *Mein aufrührerisches Herz* Arundhati Roy, 2022-10-26 Mein aufrührerisches Herz zeigt die dunkle Kehrseite Indiens und ist ein Plädoyer für Freiheit und Gerechtigkeit Ihr Mut wird bewundert ihre Unbeirrtheit gefordert Seit ihrem Bestseller *Der Gott der kleinen Dinge* tritt Arundhati Roy für ein gerechteres Indien ein für Freiheit die nicht nur für die Wenigen gilt Sie scheut kein Risiko Sie kämpft nicht nur mit der Feder sondern auch auf der Straße gegen die von Modi angezettelten Pogrome gegen die Besetzung Kaschmirs gegen Abholzung und den Bau von Staudämmen die ganze Landschaften zerstören Mein aufrührerisches Herz zeichnet nicht nur diese Reisen einer engagierten Schriftstellerin und couragierten Bürgerin nach sondern schließt den Bogen zwischen ihren beiden bewunderten Romanen *Der Gott der kleinen Dinge* und *Das Ministerium des ersten Glücks* Ihr Engagement ist ihr Leben *The End of Imagination* Arundhati Roy, 2016-08-29 Five books of essays in one volume from the Booker Prize winner and one of the most ambitious and divisive political essayists of her generation The Washington Post With a new introduction by Arundhati Roy this new collection begins with her pathbreaking book *The Cost of Living* published soon after she won the Booker Prize for her novel *The God of Small Things* in which she forcefully condemned India's nuclear tests and its construction of enormous dam projects that continue to displace countless people from their homes and communities *The End of Imagination* also includes her nonfiction works *Power Politics* *War Talk* *Public Power in the Age of Empire* and *An Ordinary Person's Guide to Empire* which include her widely circulated and inspiring writings on the US invasions of Afghanistan and Iraq the need to confront corporate power and the hollowing out of democratic institutions globally Praise for Arundhati Roy The fierceness with which Arundhati Roy loves humanity moves my heart Alice Walker Pulitzer Prize winning author and recipient of the LennonOno Grant for Peace Award Arundhati Roy combines her brilliant style as a novelist with her powerful commitment to social justice in producing these eloquent penetrating essays Howard Zinn author of *Political Awakenings* and *Indispensable Zinn* Arundhati Roy is incandescent in her brilliance and her fearlessness And in these extraordinary essays which are clarions for justice for witness for a true humanity Roy is at her absolute best Junot Diaz author of the Pulitzer Prize winning *The Brief Wondrous Life of Oscar Wao* One of the most confident and original thinkers of our time Naomi Klein author of *No Is Not Enough* and *The Battle For Paradise* Arundhati Roy calls for factual precision alongside of the real precision of poetry Remarkably she combines those achievements to a degree that few can hope to approach Noam Chomsky leading public intellectual and author of *Hopes and Prospects* India's most impassioned critic of globalization and American influence The New York Times *Know the Anti-Nationals* RSN Singh, 2021-02-04 We live in an era of nation states Nationhood is predicated on shared sense of past and a common purpose of future More than nation state India is a civilization a complete civilization To keep this civilization fresh and vibrant winds

from all directions are imperative for its nourishment But winds cannot be allowed to build into destructive storms that threaten to uproot the civilization the very basis of nationhood Jihadism and Maoism are the two main destructive storms Fueling these storms are India's enemies as well as the forces of proselytization They have to be crushed both at ideological and physical levels We have been squeamish in dealing with the problems because of the misplaced notion that all ideologies are basically benign and beneficial they are not 73 years of our post independence experience is testimony This misplaced notion has caused at least a lakh lives in Kashmir alone resulting in ethnic cleansing of Hindus from the Valley by the jihadists Sardar Patel did crush the communist revolt in Telangana but in the following years due to subversion of our political class it grew into the Red Corridor i e from Tirupati to Pashupati These forces have to be vanquished to secure the internal or the third front This book Know the Anti Nationals exposes these enemies within

Fabricating Homeland Security Rhys Machold, 2024-09-24 Homeland security is rarely just a matter of the homeland it involves the circulation and multiplication of policing practices across borders Though the term homeland security is closely associated with the United States Israel is credited with first developing this all encompassing approach to domestic surveillance and territorial control Today it is a central node in the sprawling global homeland security industry worth hundreds of billions of dollars And in the wake of the 2008 Mumbai terrorist attacks India emerged as a major growth market Known as India's 9 11 or simply 26 11 the attacks sparked significant public pressure to adopt modern homeland security approaches Since 2008 India has become not only the single largest buyer of Israeli conventional weapons but also a range of other surveillance technology police training and security expertise Pairing insights from science and technology studies with those from decolonial and postcolonial theory Fabricating Homeland Security traces 26 11's political and policy fallout concentrating on the efforts of Israel's homeland security industry to advise and equip Indian city and state governments Through a focus on the often unseen and overlooked political struggles at work in the making of homeland security Rhys Machold details how homeland security is a universalizing project which seeks to remake the world in its image and tells the story of how claims to global authority are fabricated and put to work

How to Subvert a Democracy Josy Joseph,2022-08-25 India is a democracy at bay This compelling book puts the spotlight not on political leaders but on the murky workings of India s deep state from the police to the federal investigative and intelligence agencies Traversing the Mumbai train blasts the Kashmir insurgency the Gujarat war on terror and the Delhi riots Josy Joseph reveals corruption and political agendas running through the core of agencies that should ensure justice and accountability and shows how this has undermined democracy In 2020 amid the Covid 19 pandemic India s democratic pillars suffered another blow the arrest of activists dissidents and journalists opposed to Narendra Modi s government some on dubious charges others under stringent anti terror laws Some contend that Modi has simply perfected the art of subverting a democratic state s security establishment bending it to his will With false arrests the overlooking of right wing Hindu terror an establishment bias against Muslims and an unenviable human rights record that has often relied on extrajudicial killings or false testimonies India s domestic security institutions have become just another player in pursuit of power How did this happen And why does India the world s largest democracy often subvert the very ideals of democratic politics when dealing with security challenges **Modi's India** Christophe Jaffrelot,2023-04-11 A riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance Over the past two decades thanks to Narendra Modi Hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in Gujarat and then in India at large Modi managed to seduce a substantial number of citizens by

promising them development and polarizing the electorate along ethno religious lines Both facets of this national populism found expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space Drawing on original interviews conducted across India Christophe Jaffrelot shows how Modi s government has moved India toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second class citizens who are harassed by vigilante groups He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists intellectuals universities and NGOs Jaffrelot explains how the political system of India has acquired authoritarian features for other reasons too Eager to govern not only in New Delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including India s Supreme Court Modi s India is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities Denial and Deprivation Abdur Rahman,2019-02-18 The volume attempts to gauge and analyse the level of denial and deprivation faced by Indian Muslims by evaluating their status after a gap of several years of Sachar Committee 2006 and Rangnath Mishra Commission 2007 Reports It presents and discusses the current conditions with respect to outcome indicators such as population education economy poverty unemployment consumption level availability of bank loans infrastructure and civic facilities and representation in government employment By placing facts in perspective it also discusses community specific issues such as use of Urdu madrasa education and Waqf In the post Sachar era governments started many schemes to improve the condition of Muslims whose reach and impact is assessed with the help of latest data It presents the social structure of Muslims presence of OBCs and Dalits and suggests a practical pattern for reservation It follows up the process of implementation of recommendations of these reports and highlights how the governments adopted tokenism attempted to implement minor recommendations and shied away from major ones The volume highlights the lopsided attitude of the previous UPA govern ments hostile attitude of the present NDA regime and accelerated marginalization of Muslims in today s scenario due to open discrimination mob violence lynching and hate crimes in the name of various communal issues Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Poles Apart Aditya Sondhi,2024-07-24 Is there a predominant reason why India is not Pakistan Many would likely point to the omnipresence of the military in the polity of the latter While the interventionist attitude of the army in Pakistan easily explains the democratic shortfall in its history the mirror opposite in India is rarely studied or credited Poles Apart is a unique and original investigation of the comparative roles of the military to study their influences on the growth of democracy in the two nations The book highlights the divisive outcomes of military coups on Pakistan s democratic trajectory while also closely analysing potential scenarios in India when the army could have gone astray but chose to stay apolitical

Disgrace at the hands of China in 1962 the Emergency and Operation Blue Star among others make for fascinating case studies of how the army was treated shabbily but still remained politically disinclined On the other hand the overarching presence of Field Marshal Ayub Khan General Yahya Khan General Zia ul Haq and General Pervez Musharraf in the Pakistani political space represent a very different set of choices and interventions A crisp chapter on Bangladesh and its experiments with democracy and martial rule rounds off the deeply researched study **26/11 : The Attack on Mumbai** ,2009-03-20

held an entire city to ransom by the sheer force of their zealotry The scene by scene accounts incisive analyses and an exclusiveinterview with a LeT representative along with a description of its training camp in Muridke Pakistan reveal how the failure of Indian intelligence agencies landed Mumbai in the quagmire of terrorism Paying homage to the brave security officers who lost their lives fighting the terrorists 26 11 Mumbai Attacked reiterates the chilling reality that India is under grave threat and the clock is ticking before the next big attack
