Wiccan Book of Shadows Guide Dayanara Blue Star,2015-01-25 The Book of Shadows acts a little like a Wiccan s guide book holding a varied amount of knowledge from rituals and spells to beliefs and traditions Written by Gerald Gardiner in the late 1940 s to early 1950 s for his coven of Brickett Wood it was written to guide beginning Wiccans They used information from this book adding and leaving out information to suit their own books A Wiccan who joined Gardiner s coven and later a high priestess Doreen Valiente decided to rework Gardiner s original tome She is credited with creating the Wiccan Rede and also contributed her own poetry to the publication In earlier times Wicca was mostly run by covens which would have only one Book of Shadows which was the responsibility of the High Priest or Priestess However today Wicca has changed and often a coven will have its own Book of Spells while each individual Wiccan has their own singular Book of Shadows that they develop themselves It is a highly

personal book which reflects the individuality of each practitioner Practitioners do not always belong to a coven and they will usually develop a Book of Shadows on their own The Book of Shadows BOS is an item every Wiccan needs It stores information on spells rituals materials and knowledge you will need for your Wiccan practice and helps you start on your Wiccan path It s important for Wiccans to create a Book of Shadows to store their knowledge Take advantage of this great opportunity and learn how to create your own book of shadows BLESSED BE

Wicca Book of Shadows Lisa Chamberlain,2015-09-30 Everything You Need to Know to Create Your Own Wiccan Book of Shadows Wicca is a unique religion in so many ways not least of which is the absence of a central holy text or scripture to follow There are guidelines such as the Threefold Law and the importance of respecting other people s free will but there are no detailed rules about how to live one s life as there are in other faiths There s no single divine source commanding its followers nor is there a hierarchy of religious leaders who all adhere to the same doctrine In short Wicca doesn t tell you exactly what you must think believe or do Nonetheless there is an endless wealth of information that is integral to the practice of Wicca and Witchcraft traditional myths ritual protocols incantations magical lore spells correspondences divination systems and much more And while the explosion of books and other resources related to Wicca has certainly made much of this information available there s still no one book that could ever contain all there is to know So it falls upon practitioners themselves to discover and collect information as they see fit This is where the Book of Shadows comes in The Book of Shadows is where the real hands on quality of Wicca can really blossom as practitioners navigate their own paths to learning and growing spiritually It s both a record of your own personal spiritual journey and an encyclopedia unlike any other As you build and develop it it will have everything you need to perform rituals cast spells engage in divination work for healing use herbs and crystals properly etc In fact a Book of Shadows is probably the most key piece of reference material a Wiccan can possess What s more the Book of Shadows serves as a log of all of your activities where you can record new spiritual and magical discoveries noting ideas that resonate with you and magical techniques that have been particularly helpful It s also a place to express your artistic side through any creative writing or illustrations that you wish to

include in its charmed pages Most importantly it is your very own holy text reflecting your beliefs inspirations and anything else you feel is important to reinforce for yourself as you deepen your Wiccan practice The DIY Approach to Spiritual Discovery Many who are new to Wicca shy away from the process of creating their own personal grimoire a centuries old term for what we know in the Wiccan tradition as a Book of Shadows It can be easy to feel that you don't yet know enough to be taking on such a giant project But as you will learn in best selling author Lisa Chamberlain's Wicca Book of Shadows the point is simply to begin with what you know and add to it as you go Doing so will add a magical dimension to your practice that no spell or ritual ever could In this guide you'll learn everything you need to know about creating and keeping your own Book of Shadows which will grow with you as you progress along your spiritual journey The evolution of the Wiccan Book of Shadows a modern twist on the ancient tradition of magical grimoires Practical uses for a personal Book of Shadows and typical content found within it Advice and inspiration for creating your own Book of Shadows with tips for choosing your materials organizing your information and putting your creative touches on every page How to keep your Book of Shadows hidden away from prying eyes Options for the 21st century Witch electronic and online versions of the Book of Shadows By the end of this guide you'll be inspired and ready to create a wonderful magical companion text to accompany you on your Wiccan path Scroll to the top of the page hit the Buy button and receive an exclusive free eBook
