Evangelism and Christian Apologetics Steve Urick, 2012-03-09 Evangelism and making disciples of Christ go together and make up the most important work on earth Why Because the eternal destiny of people depends upon hearing the gospel of Christ But many Christians lack basic training to be able to do soul winning work defend the faith and refute false teachings Evangelism and Christian Apologetics contains vital information that can give any Christian the knowledge and confidence to effectively explain the gospel one on one and gives clear answers to questions most commonly asked by skeptics and truth seekers alike Whether you are an older Christian or a new believer this powerful book will give you the nuts and bolts of evangelism training needed to equip and motivate you to go out and labor in the great harvest of souls while there is still time Canadiana ,1986 The Grace of God, the Will of Man Clark H. Pinnock, 1989 The Grace of God the Will of Man A Case for Arminianism was written by an impressive team of evangelical scholars from many traditions This work carries on the ancient debate about the scope of God's saving purposes and the manner of his effecting salvation in human beings It defends the proposition that God is a dynamic personal Agent who respects the freedom he chose to delegate to his human creatures and relates sensitively to us in the outworking of his plans for the whole of history God is love and expresses his power by working salvation among us under conditions of genuine mutuality The contributors to this volume are Christian scholars who are eager to present this evangelical model as an alternative to deterministic theology They do not claim to have said the last word on the subject but want at least to keep the ball of theological discussion in play

One Flesh Joe Fogle, 2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam's side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God's intention for marriage This was true of those both outside and inside God's covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God's

command for marriage The Lord Jesus Christ came and stated God s original intent for marriage 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond 2 Forgiveness This is Christ s emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ s commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God s original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10 9 What the Bible Teaches William MacDonald,1949 No Longer A Mystery Ralph G. Vestal,2023-12-07 Without a doubt there are many passages in the Bible which we do not fully understand today and will not until we are in Heaven with the Lord 1 Corinthians 13 9 12 The purpose of this book is not therefore to attempt to answer every question or solve every issue which may arise as we read the Bible In this book we will look at every passage in the New Testament in which the word mystery appears The truths and events which the Bible refers to as mysteries are now revealed and explained for us As we look at each of these we will discover something of God s Plan for the ages and we will see just where we fit into that plan And we will see that the truths and events which in God s wisdom were once concealed are now No Longer A Mystery Catalog of Copyright Entries, Third Series Library of Congress.
