MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master s Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God s people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence *Fundamentalist Journal* , 1989

The 10 Things You Should Know About the Creation vs. Evolution Debate Ron Rhodes,

The Secrets of Suffering T.A. Nalian, 2020-04-28 The moment we find ourselves in adversity we tend to quickly react in two ways Lord would you deliver me and deliver now And Why is this happening to me Often deliverance will not come immediately and the epic question why is truly the big reason for this book In your lifetime suffering will be inescapable This is why it's so important we learn to navigate our way through the thick dark forest of suffering If we do not learn this ourselves and neglect to teach those coming after us we will forego many blessings and experiences with God and expose our children students and parishioners to the same The uniqueness of this book is positioned in the fact that its author has experienced suffering beginning at the age of three to the writing of this work Therefore the substance of this book rests not in hypothesis but rather in real time experience If you are suffering this book can help you for the simple reason that the author will compel you to put yourself in the presence of His Majesty the Lord Jesus He is the one who has suffered the most The one who suffered the most can help you the most Why Because He is the Almighty Eternal God He loves you with an everlasting unconditional love The Lord can identify with your every hurt He will show you in your suffering that He is close intimate and He cares Everyone knows someone who is struggling and suffering This book would be the perfect gift and resource equipping them to persevere while at the same time experiencing the glorious blessings of God in the process

Jesus Christ as Ancestor Reuben Turbi Luka, 2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in

everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ
