A Theology of Gay and Lesbian Inclusion Donald G Hanway, 2012-12-06 Encourage the Church to address the gift of human sexuality how to view it how to deal with it and how it relates to spirituality A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use the Bible to resist change even that change of

which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull's eye of the reader's faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian

Muslim Perspectives on Islamophobia Zouhir Gabsi, 2024-08-06 The Islamic positioning of Islamophobia is presented in this book Through Islamic or Muslim perspectives the book engages with various Islamic texts and discourses spoken and written emanating from preachers and scholars of Islam to discuss the points of convergence and divergence with the Western interpretation of the phenomenon The book aims to look at Islamophobia from a hitherto unexplored angle by first analyzing the points of convergence and divergence between the internal Muslim and external Western perspectives and then by providing new approaches to curbing Islamophobia through a holistic spiritual dimension of Islam and cultural memory The book contends that the bridges of understanding between the East and the West can only be built if some of Islam's theological concepts such as the place of reason in Islam are reinterpreted by considering the Islamic perspectives While the book acknowledges previous work on Islamophobia it contributes to a deeper understanding of Islamophobia in its internal and external manifestations by considering the theoretical frameworks of racism and xenophobia Readers interested

in Islamic studies and anti racism narratives would find this book s eclectic approach and balanced perspective of the phenomenon informative and enlightening
