implication and exalting in its sadness **Reading Against Culture** David Pollack,1992 **The Ethics of Aesthetics in Japanese Cinema and Literature** Nina Cornyetz,2006-11-22 This is an innovative scholarly and original study of the ethics of modern Japanese aesthetics from the 1930s through the Second World War and into the post war period Nina Cornyetz embarks on new and unprecedented readings of some of the most significant literary and film texts of the Japanese canon for instance works by Kawabata Yasunari Mishima Yukio Abe K b and Shinoda Masahiro all renowned for their texts aesthetic and philosophic brilliance Cornyetz uniquely opens up the field in a fresh and controversial way by showing how these authors and filmmakers concepts of beauty and relation to others were in fact deeply impacted by political and social factors Probing questions are asked such as How did Japanese fascism and imperialism ideologically politically and aesthetically impact on these literary cinematic giants How did the emperor as the nodal point for Japanese national identity affect their ethics What were the repercussions of the virtual collapse of the Marxist movement in the 1960s What are the similarities and differences between pre war wartime and post war ideals of beauty and those of fascist aesthetics in general This ground breaking work is truly interdisciplinary and will appeal to students and scholars of Japanese literature film gender culture history and even psychoanalytic theory Yasunari Kawabata Yasunari Kawabata,1981 **Modern Japanese Short Stories** Ivan Morris,2019-07-16 Modern Japanese Short Stories is a remarkable collection of Japanese stories from the pioneers of contemporary Japanese literature This volume s twenty five stories by as many authors display a wide range of style and subject matter offering a revealing picture of modern Japanese culture and society The stories in this anthology include Tattoo by Junichiro Tanizaki a large spider tattooed on the back of a young woman results in unexpected changes Autumn Mountain by Ryunosuke Akutagawa vivid memories of a beautiful painting leads a man to wonder if the it ever actually existed The Priest and His Love by Yukio Mishima a Buddhist priest finds his path to enlightenment challenged after falling in love The Moon on the Water by Nobel Prize winner Yasunari Kawabata a young woman who cared for her ailing first husband through most of their marriage regrets remarrying after his death Featuring a new foreword by Japanese literary scholar Seiji Lippit and striking woodcut illustrations by Masakazu Kuwata the stories are translated by the editor Ivan Morris and Edward Seidensticker George Saito and Geoffery Sargent This collection of short stories shows why Japanese literature is so highly valued today it teaches not only about Japan but about the human condition and the possibilities of art **The Thorn in the Chrysanthemum** Mamoru Iga,2024-07-26 Japanese society is frequently held up to the Western world as a model of harmony and efficiency but the price it pays tends to be overlooked In a searching analysis that will fascinate students and admirers of Japan as much as it will inform psychologists and suicidologists Mamoru Iga discusses the precise nature of the thorn in the chrysanthemum a thorn that may hurt both the Japanese and the outsider who conducts business with them The author who was reared and educated in Japan is uniquely qualified to interpret the value orientations of a society in which suicide is all too common He finds that the traits leading to homogeneity and extreme

adaptability in that society as a whole are the very traits that can produce painful reactions in the individual Those traits are described as monism groupism authoritarianism familism and accommodationism and together they comprise the Japanese social character Because the individual s behavior is based on the images assumptions and ideas about the world that make up his or her culture conformism in the individual is one major manifestation of Japan s social character In Japan the need to fill one s socially prescribed role may make it doubly difficult to think independently and creatively and to find solutions for the resulting stress Suicide notes and other personal documents reveal the painful cost of modern Japan s success story as the examination of individual suicides is related both to the theoretical framework of Durkheim s types of suicide and to the sociological patterns that characterize suicide in Japan It is in personal value orientations however that Iga finds the common ground between suicide and economic success American readers will find especially interesting the contrast between value orientations in Japan and in the United States Nearly the opposite of the Japanese traits described above American values of rationalism individualism competition and change create their own problems There is much to be learned from this expert analysis of the problem of suicide in Japan This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 *Persona* Naoki Inose,2013-01-01 Traces the life of the Japanese author who went from sickly youth to dedicated student of the martial arts looking at his family life the wartime years and his career as a writer who advocated for traditional values **Anthropology and Mental Health** Joseph Westermeyer,2011-06-03 No detailed description available for Anthropology and Mental Health **Die bedeutendsten Autoren der Weltliteratur** Marie Bauer,2024-12-06 Entdecken Sie die faszinierende Welt der gr ten Literaten aller Zeiten Die bedeutendsten Autoren der Weltliteratur Von Edgar Allan Poe bis Emily Dickinson bietet einen berblick ber die einflussreichsten Schriftsteller der Geschichte Von den zeitlosen Dramen William Shakespeares ber die epischen Werke Homers bis hin zu den tiefgr ndigen Romanen Fjodor Dostojewskis dieses Buch vereint die bedeutendsten K pfe der Literatur in einem pr gnanten und informativen Format Jedes Kapitel widmet sich einem der gro en Meister darunter Dante Alighieri Johann Wolfgang von Goethe Virginia Woolf und Gabriel Garc a M rquez Die Texte bieten spannende Einblicke in das Leben und Schaffen der Autoren w hrend gro formatige Fotografien die Atmosph re ihrer Werke und die Zeit in der sie lebten eindrucksvoll einfangen Ob Sie die philosophischen Gedanken Friedrich Nietzsches oder die gesellschaftskritischen Romane George Orwells erkunden m chten dieses Buch ist eine wahre Fundgrube f r Literaturbegeisterte Ein ideales Geschenk f r alle die sich f r die Weltliteratur interessieren oder auf der Suche nach einem inspirierenden berblick ber die gr ten Werke der Menschheitsgeschichte sind *The Study of Time IV* J. Deutschsprachiger Japanologentag in Trier 1999 Hilaria Gössmann, Andreas Mrugalla, 2001 The Strong and the

Weak in Japanese Literature Fuminobu Murakami, 2010-06-10 This book uses texts from classical to modern Japanese literature to examine concepts of respect for the strong as a notion of an evolutionary society and sympathy for the weak as a notion of a non violent and changeless egalitarian society The term strong refers not just to those with strength and power It also includes other ideal attributes such as beauty youth and goodness Similarly the term weak implies not only the weak and infirm but also the disadvantaged the indecent the unsophisticated and those generally shunned by society The former are associated not only with the power of life competition evolution progress development ability effectiveness efficiency individuality the future hope and romance but also with violence fighting bullying discrimination and sacrifice The latter in contrast invoke notions of peace egalitarianism anti discrimination and welfare as well as stagnation retreat retrogression degeneration and the decline of vital powers By using these two concepts Murakami skillfully weaves a narrative that is part literary criticism part social commentary As such the book will be of huge interest to not only scholars and students of Japanese literature but also those of Japanese society and culture
