Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die kumenische Bedeutung der Katholizität die alle Kirchen im Glaubensbekenntnis bekennen Dabei werden auch die Spannungen zwischen Einheit und Vielfalt sowie die Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church The papers of the 18th

**The Elijah Generation** Wade McHargue, 2013-04-15 In an age of decadence degradation and despair God is calling forth an Elijah Generation Are you going to be a part of it The Elijah Generation is an opportunity for men to take a good hard honest look at their lives in light of the standard of God s Word Based on years of study and prayer into the lives of Elijah and John the Baptist this book draws attention to 30 godly attributes to pray into your life It is written to be practical After applying the truths presented are you ready to accept The Proposal at the end of the book It s time to lose our lives for Jesus sake that we can truly find them It s time to see What would happen if I gave myself completely over to God It s time Jesus receives all we can offer for the praise of His glory as we live in light of eternity Author Bio Wade McHargue graduated summa cum laude from Moody Bible Institute with a BA in International Ministries He has been in full time ministry as a youth pastor inner city pastor and a missionary to West Africa God has placed a great burden on his heart for men to rise up and live their lives fully for the glory of God He and his wife Katie have 3 children Abigail Caleb and Josiah keywords Elijah Discipleship Return Of Jesus Jesus Return Christian Book Mens Ministry Men s Ministry Christian Ebook Disciple Better Life Life Of Men *The Great Tradition - A Great Labor* Philip Harrold, D H Williams, 2012-05-31 At a recent conference entitled Ancient Wisdom Anglican Futures theologians from across the denominational spectrum considered the question What does it mean to inhabit the Great Tradition authentically As an expression of what C S Lewis called Deep Church Anglicanism offers a test case of Tradition with a capital T in late modernity Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries The process has been enlivened through constant negotiation and exchange with surprising convergences that have brought new life and direction The contributors to this volume show how profitable and commodious as Richard Hooker has said the Great Tradition can be innurturing the worship communal life and mission of the Church But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and especially among evangelicals who continue to follow the Canterbury Trail *The Cry of the Spirit* Steven Akinjiyan, 2007-03-01 As the name implies so it is There are many books that propagate the voices of men and give the ideas of men but there are few that echo the voice of the Holy Spirit It is this manner of book we have in *The Cry of the Spirit* the one that echoes the voice of the Holy Spirit It is not naysay to have titled this book as the cry of the Spirit The Spirit is indeed crying at this wee hour of this falling generation As a matter of fact this very book you are about to read is the breath of the Holy Spirit released for the consumption of this generation I therefore recommend this very book for everyone to know what the Spirit cries about today *In the Days of Caesar* Amos Yong, 2010-09-14 In the Days of Caesar is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal one of the most vibrant religious movements at the beginning of the twenty first century Amos Yong here argues that the many tongues practices and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage

and transform the social political and economic structures of the world Yong has three goals here First he seeks to correct stereotypes of Pentecostalism both political and theological Secondly he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism rather than merely to adopt some framework for theological or political self understanding Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice This book s engagement with political theology from a Pentecostal perspective is the first of its kind

The Obvious Secret Bruce C. Steffens, 2018-02-13 *The Obvious Secret A Discipleship Journey to Christian Maturity* By Bruce C Steffens *The Obvious Secret* explores the various major beliefs of the Christian faith from a logical and analytical standpoint It is intended for two purposes First it is a resource to develop Christian discipleship curriculum for teachers and instructors Secondly it is self study resource for seekers new believers and even established believers It contains a systemic approach to understand the why of what we believe and then helps one to establish and deepen a personal relationship with God The book is not intended to tell someone what to believe but rather to give the logical reasons related to belief topics and allow a person to discover the truth of the belief for themselves However without a vibrant relationship with God all the understanding of God s principles and truths are academic A mature disciple is the person whose best friend is God and who helps those around him or her to know God s love and create their own relationship with God

*In His Name* Alison Morgan, John Woolmer, 2008 Designed for use in churches wishing to begin or revive a healing ministry *In His Name* is a deliberately hands on course Although it is careful to build a proper foundation in terms of both theology and good practice the emphasis is on equipping the participants to engage in an active ministry of healing Fully illustrated and containing ice breakers practical exercises group prayer times and many real life stories of healing *In His Name* is deliberately written to be easy to use First published in 2008 and now on its third printing it has been widely used in local churches and is the recommended course in a number of Anglican dioceses Far and away the most balanced informed practical guide for church healing teams The authors have seen much healing physical psychological and spiritual and have the theological and biblical underpinning to ground it The course is interactive beautifully written and has been tested over ten years Simply invaluable Canon Dr Michael Green Following on from the open evening we ran the *In His Name* course and had over forty participants which attracted participants from other local churches and was widely spoken of it as one of the best things St Paul s had ever done Revd Chris Spittle Skelmersdale Lancashire
