In *The Narrative of the Life of Frederick Douglass An American Slave*, Frederick Douglass effectively describes his escapes from slaveholders through his intellectual literacy. In virtue of his experience as an enslaved man, Douglass writes about the abuse he suffers for being African American. He writes his narrative for the general public including slaves, to show the slaveholders' wrongdoings. Douglass portrays the demeaning treatment of slaves to express inhumane conditions, which they face repeatedly.

Throughout the novel Douglass is **TABLE** to persuade his readers that slavery is cruel and an immoral act, through the use of visual imagery, situational irony, and formal diction. Through the use of visual imagery, Douglass is **TABLE** to persuade the public that the physical scars from slave have dehumidifying effects by describing brutality, and human degradation. On one of Douglass first accounts, he describes his mother's death by stating "was not allowed to be present during her illness, at her death, or burial" (Page 18).

This incident relates to pathos because it reveals Douglass lack of interaction with his other and the isolation he endures in the early stages of his life, which emotionally draws the reader into realizing the psychological afflictions of slavery. As well as his mother's passing, Douglass utilizes visual imagery to account for the last days of his frail grandmother: "If my poor old grandmother now lives, she lives to suffer in utter loneliness; she lives to remember and mourn over the loss of children..." (Page 56).

Douglass exposes how little sympathy slaveholders possess towards slaves. Visual imagery of this incident persuades the reader of slavery savagery because it is clear that Douglass is kept away from the people whom he loves, and is forced to feel nothing but sorrow. Due to the restrictions from slavery, Douglass copes with his aches by describing clear details of the worst days of his life. Likewise, Douglass presents the remorseless treatment of slaves through the use of situational irony. A representation of this is shown within old Barney and young Barney-father and son.

He says "They were frequently whipped when least deserving, and escaped whipping when most deserving it" (Page 30). Douglass explains that living in a constant state of fear, the boys are never safe from severe punishment regardless of doing everything they're told. Douglass also uses logos to convince the public that slaveholders are not **capTABLE** of managing others because they don't have moral sense. Additionally, Douglass illustrates another situational paradox when he fights back against Mr...

Covey: "From this time I was never again what might be called fairly whipped, though remained a slave four years afterwards. I had several fights, but was never whipped" (Page 75). Douglass fierce determination for freedom.
