Nigerian Stage Directors' Philosophies, Aesthetics and Ideologies Bisi Adigun, Duro Oni, 2025-02-15 In several Nigerian universities theories of Western stage directors who are long dead are still relied upon to teach Nigerian students the art of stage directing This is akin to eating Nigerian delicacies such as isi ewu a goat's head delicacy which are traditionally eaten with fingers with cutlery How can the brain of an aspiring Nigerian theatre director be full of the principles of Russian German English French and Polish stage directors who are all dead while he or she does not know much about contemporary Nigerian stage directors many of whom are still alive and practising This is the major lacuna that this book fills Containing essays and interview contributions from 30 directors of different ages generations genders and social classes and from different parts of Nigeria and beyond this book will afford the future generation of stage directors not only in Nigeria but also in the world at large the opportunity to learn from an epistemic community and stand on the shoulders of indigenous Nigerian theatre giants to touch the sky

 Frangoulidis,Stephen J. Harrison,Gesine Manuwald,2016-03-21 Roman plays have been well studied individually even
 including fragmentary or spurious ones more recently However they have not always been placed into their context though
 plays just like items in other literary genres benefit from being seen in context This edited collection aims to address this
 issue it includes 33 contributions by an international team of scholars discussing single plays or Roman dramatic genres
 including comedy tragedy and praetexta from both the Republican and imperial periods in contexts such as the literary
 tradition the relationship to works in other literary genres the historical and social situation the intellectual background or
 the later reception Overall they offer a rich panorama of the role of Roman drama or individual plays in Roman society and
 literary history The insights gained thereby will be of relevance to everyone interested in Roman drama or literature more
