Finance and Investments *On the Methodology of Financial Economics* Kavous Ardalan, 2023-06-01 Utilizing a multi paradigmatic approach in considering the scientific methodology of mainstream financial economics and suggesting improvements this book identifies eleven biases of the scientific methodology of mainstream financial economics namely intellectual bias local bias fad bias ideological bias automaticity bias confirmation bias cultural bias stereotyping bias under productivity bias homogeneity bias and isolation bias HEALTHCARE's OUT SICK - PREDICTING A CURE - Solutions that WORK !!!! Gary D. Miner, Linda Miner, Darrell L. Dean, 2019-01-04 The U S healthcare system is in complete chaos disarray Medical costs have increased significantly over the past 6 years with 70% increase for deductibles and 24% or more for health insurance premiums All the while workers earnings have either not increased or if they did the pay raises were for less than the increase in the cost of medical care The situation is unsustainable and the public wants the system fixed This book offers ways of fixing the problems in healthcare HEALTHCARE s OUT SICK PREDICTING A CURE Solutions that WORK first defines the healthcare in crisis problem Through real patient experiences the book describes the difficulties of getting through the maze of complexity among the plethora of silo providers which make up the industry The heart of the book provides readers with a comprehensive solution that can work a disruption that is necessary to provide Americans the medical care they need without the US public and healthcare providers and payors going into bankruptcy insolvency or closure This book delves into digitized medicine payor and provider reimbursement models and value based healthcare delivery It also includes a philosophy or mode of thinking and operation for the solutions that are needed for diagnosis effective cost effective and time efficient healthcare delivery of which digitized medicine value based care and payor reimbursement modes are just some of the factors The authors propose that the real solution involves having the patient at the center of the issues and changing from an archaic gold standard way of thinking to a Predictive Analytic thinking where one gets at the real truth by doing real science that in the end becomes effective not only for the population but for the individual person This all leads to real person centered and person directed medicine and healthcare delivery *Economic Analysis and Law* Christopher E.S. Warburton, 2020-05-20 A comprehensive presentation of the use of economics in judicial decisions the book is structured to provide all the foundational concepts that are important for the application of economics to the development and interpretation of statutes that emanate from economic conditions The diversity of the economic field defines the scope of the book and its relevance to the study of law and rule adjudication Beyond the positive dimensions of law and economics the book evaluates the normative aspects of law and economics when laws are imprecise and markets are inefficient The ethical scope of transactions and rule adjudication are further considered in the context of professional ethics and the rationale for ethical considerations in the practice of law and economics It presents a unique analysis of law finance and economics by taking a look at the intricate quantitative requirements that are essential for scientific knowledge in the courtroom and the international dimensions of the practice of law and economics beyond municipal frontiers It alerts

entrepreneurs to risk exposures in the global economy and provides foundational information for readers who are also interested in international law and economics and the essence and interpretations of international conventions appertaining to money expropriation the environment and investments in international financial markets This book is a useful reference for both undergraduate and graduate students who are interested in law and economics forensic economics corporate white collar crime and legal studies It is also valuable for certificate programs for paralegals who wish to have a basic understanding of economic and financial concepts
