Earth's Earliest Ages George Hawkins Pember, 2016-10-17 Excerpt from *Earth's Earliest Ages And Their Connection With Modern Spiritualism and Theosophy* N 1876 the author of the present volume published a smaller book entitled *Earth's Earliest Ages and Their Lessons for Us* in which his object was twofold He first attempted to remove some of the Geological and other difficulties usually associated with the commencing chapters of Genesis and then endeavoured to show that the characteristic features of the Days of Noah were reappearing in Christendom and therefore that the Days of the Son of Man could not be far distant For guidance in his efforts after the first of these aims he adopted the following obvious principles which if they be admitted render the interpretation easy and precise and anticipate every possible Geological objection I That the first chapter of Genesis equally with those which follow it is in its primary meaning neither vision nor allegory but plain history and must therefore be accepted as a literal statement of facts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Earth's Earliest Ages, and Their Lessons for Us George Hawkins Pember, 1921

Earth's Earliest Ages George H. Pember, 2012-07-15 Since the beginning of time and within every major culture of the ancient world the astonishingly consistent story is told of gods who descended from heaven and materialized in bodies of flesh From Rome to Greece and before that to Egypt Persia Assyria Babylonia and Sumer the earliest records of civilization tell of the era when powerful beings known to the Hebrews as Watchers and in the book of Genesis as the *b nai ha Elohim* sons of God mingled themselves with humans giving birth to part celestial part terrestrial hybrids known as Nephilim When

George Hawkins Pember in this 1876 masterpiece analyzed the prophecy of Jesus Christ in Matthew 24 that says the end times would be a repeat of the days of Noah he concluded the final and most fearful sign heralding the Lord's Second Coming would be the return of the Nephilim the appearance upon earth of beings from the Principality of the Air and their unlawful intercourse with the human race Jesus Himself in answering His disciples concerning the signs of His coming and of the end of the world verified it would be as the days of Noah were Matthew 24 37 The implication is just as it was before the Flood when the spirits of Nephilim were powerful upon earth Genesis 6 4 mankind would experience an end times renaissance of the influence of these entities Does a curious verse in the book of Daniel validate Pember's thesis It staggers the mind to contemplate how the same phenomenon that occurred in Genesis chapter 6 where nonhuman species or nonseed mingled with human seed and produced Nephilim could happen again in the end times Yet when this verse from Daniel is coupled with Genesis 3 15 which says And I will put enmity between thee and the woman and between thy seed zera meaning offspring descendants or children and her seed an incredible tenet emerges that Satan has seed that it is at enmity with Christ and that it is set to return in these last days Has the time of their coming arrived
