**Protecting Alabama** Susan Stoker, 2016-06-08 Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down time after time, and she'd learned to rely on only herself. Christopher Abe Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate Wolf find the woman of his dreams, Abe was determined to find someone to share his life with. Too Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems. At first, two words would change both their lives, and they'd have to fight hard for their happy ever after.

**Protecting Kelli** Susan Stoker, 2025-08-30 He was expecting a relaxing vacation, but instead, not only found himself a victim of a kidnapping for ransom, but also the woman he wanted to spend the rest of his life with. Beach vacation, river tubing. It should've been a nice break from Wade Flash Gordon's life as a Navy SEAL. Instead, he's kidnapped along with Kelli Colbert, an intriguing woman he met at the Jamaican resort where they're both reluctant members of bachelor/bachelorette parties. Then they find themselves forced underground, buried alive. Flash has no doubt whatsoever his team will stop at nothing to find him, and he's right. And while that mission proves a success, the kidnapper's still at large, a man who's not willing to just say goodbye to the ransom money he was counting on to bankroll his new life. But he's drastically underestimated his would-be captives. Flash and Kelli may have met by chance, but they forged a bond deeper than most people could ever understand. And when Flash finds out she lives near him in Southern California, nothing can stop him from keeping Kelli by his side and safe from danger that's closer than either of them could ever suspect.
