Fox on the Rhine Douglas Niles, Michael Dobson, 2000-06-10 The Führer is dead but the war still goes on Backed by a cadre of SS officers Himmler seizes control of the Reich and instigates a plan to change the course of the war First an armistice with Russia Second the mass production of jet fighters And third the appointment of legendary Desert Fox Erwin Rommel to the European theater leading to a very different Battle of the Bulge where he must confront Blood n Guts George Patton in a campaign that will determine the fate of Europe and possibly the entire free world

100 Tales for one night Peter Boge, 2022-01-25 Once upon a time a few days ago I was sitting on a bench waiting for the bus It was already late and in the middle of the forest on a country road in Saxony where all kinds of impressions await the traveler A gentleman with a backpack and a long beard came up and sat down next to me and began to talk The first bus passed and the second The moon made its way through the sea of stars and as the dawn slowly approached he took his bundle and moved on leaving me with these 100 stories They take us through the seasons and lead us to new ways of understanding familiar fairy tales And you know what I m already looking forward to my next trip to Old Saxony where beautiful girls grow on trees This book contains stories may only children understand Adults learn the mystics of life Read them slowly and with care Even the AI who translated these tales was forever steeped in mystery

The Men of Fox Company "Edgar ""Ted"" Cox, 2012-07-24 The Men of Fox Company History and Recollections of Company F 291st Infantry Regiment Seventy Fifth Infantry Division describes the actions of an infantry rifle company fighting in Europe during World War II Sometimes the Seventy Fifth Division was called the Diaper Division because the mean age of the men was just twenty two years versus the widely acknowledged average age of twenty six years for most other divisions Fox Company was part of Second Battalion 291st Infantry Regiment of the Seventy Fifth ID which were formally activated at Fort Leonard Wood Missouri on April 15 1943 The division was thrown into combat soon after arriving in Europe in December of 1944 Over the next ninety four days they fought three campaigns in Europe Fox Company first went into combat during the Battle of the Bulge and then moved to southern France to fight in the Colmar Pocket Next they went to Holland where they defended along the Maas River and later in Germany along the Rhine River Finally Fox Company fought in the battle for the Ruhr The Men of Fox Company includes the recollections of several men providing a view of the war not often seendirectly from the soldiers sergeants and officers who survived the experience to tell their personal stories

Fox at the Front Douglas Niles, Michael Dobson, 2004-06-14 In the tradition of the bestselling novels Fatherland and SS GB Fox on the Rhine was the heart stopping novel of military suspense that showed what might have happened behind the scenes and on the battlefield had a single incident of WWII been different Now that alternate war continues in Fox at the Front July 20 1944 A group of disillusioned officers of Hitler s high command plant a bomb that

successfully kills the Führer For a moment there is an opportunity for surrender peace and survival for all of Germany but Himmler has other plans An armistice is signed with Stalin's Soviet Union New battle lines result in a very different Battle of the Bulge where the legendary Desert Fox Erwin Rommel meets Blood n Guts George Patton These two masters of modern cavalry tactics must join forces and push to the East where the hungry bear of Stalin's army is readying a land grab of all of Eastern Europe claiming war spoils they ill deserve From battlefields to board rooms Niles and Dobson spin an action filled military thriller so rich in detail you believe that it could have occurred At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Revolutions of Europe Christopher W Koch, 1839 **An historical view of the European nations, from the subversion of the Roman Empire in the west, to the abdication of Napoleon ...** Translated ... by Andrew Crichton. Third edition, amended Christophe Koch, 1840 **World War One, 1914 - 1918** André Géraque Kiffer, 2019-11-13 Considering the principal historical assumption that the Central Alliance had better military leadership capable of innovating technology and maneuvering flexible planning based primarily on the evolution of the Prussian German General Staff since 1806 but on the other hand lacking a more solid political orientation which eventually led him to assume this inappropriate role the basis of the simulation of this book will be as it would have been if the German political leadership in particular had been better understood from the outset perhaps provoking a shorter war and a fairer and more consolidated future peace
