

True value of friendship

A beautiful story

Scene setting

Friends are an important part of our lives. We play with them, we share with them. They make us happy. Friends are great fun.

But not all friends are good friends. Good friends are those who help you in times of need. They love you. They will not leave you when you need help.

Some friends help you in small ways. Some friends help you in big ways. Here is one story of true friendship. It is about a friend helping another friend in the biggest way.

Reading

Once upon a time there was a young soldier. He was returning home from a war after many years. Before coming home, he called his parents.

He said, "Mom and Dad, I am coming home but I want to ask you something."

His parents replied, "What is it?"

He said, "I have a friend. I want to bring him to our house."

"Sure," they replied. "We'd love to meet him."

The son then said, "You have seen his photo too. I had sent it to you last time. His name is Robin."

The son continued, "Robin was hurt badly while fighting. He has lost an arm and a leg. He has

Friendship And The Moral Life:

Friendship and the Moral Life Paul J. Wadell C.P., 1990-11-30 Friendship and the Moral Life is not simply a theoretical argument about how moral theology might be done if it took friendship more seriously Rather the book exhibits how without friendship our lives are morally not worth living The book begins with a consideration of why a new model of the moral life is needed Wadell then examines the ethics of Aristotle who viewed the moral life as based on a specific understanding of the purpose of being human with friendship being an important factor in enabling people to acquire virtues necessary for achieving this purpose Through the thought of Augustine Aelred of Reivaulx and Karl Barth the question is raised whether friendship is at odds with Christian love or whether their relation depends on one's narrative account of friendship Thomas Aquinas understanding of charity as friendship with God is examined to clarify this relationship By locating friendship within the story of God's redemption through Christ Wadell helps us see why friendship properly understood is integral to the Christian life and not at odds with it Such a friendship draws us to love all others who seek God and teaches us not to restrict our concern to a special few in preferential love The book closes by investigating how friendship as a model for the moral life might work in everyday life

friendship as a model for the moral life might work in everyday life [Happiness and the Christian Moral Life](#) Paul J. Wadell, 2024-10-29 As one of the most widely adopted textbooks in the field *Happiness and the Christian Moral Life* introduces students to Christian ethics through the lens of happiness Drawing on classical and contemporary Christian sources Paul Wadell proposes that the heart of the moral life is not rules and obligations but our deep desire for happiness and fulfillment The fourth edition of this accessible and student friendly text has been revised and updated throughout It introduces Christian ethics with sensitivity towards readers who may not be Christian themselves After setting out the principal argument of the book in the opening chapter subsequent chapters explore the importance of narrative or story for

Christian ethics a Christian understanding of the person and vocation the role of the virtues in our quest for happiness the centrality of justice in the moral life the place of friendship and community in a good and flourishing life a Christian theology of freedom how sin hinders one's growth in happiness the meaning and importance of conscience and a Christian understanding of love The fourth addition also includes new sections on several topics such as the Beatitudes forgiveness and reconciliation the social thought of Pope Francis the challenges of climate change and global warming recent thinking on gender and sexual ethics by theologian Bridget Burke Ravizza a politics of charity and racism and ongoing racial conflict This edition also features fresh global examples revised introductions to key thinkers and figures expanded treatment of the theological virtues and a list of key terms at the end of every chapter

Everyday Ethics and Social Change Anna Peterson, 2009-08-24 Americans increasingly cite moral values as a factor in how they vote but when we define morality simply in terms of a voter's position on gay marriage and abortion we lose sight of the ethical decisions that guide our everyday lives In our encounters with friends family members nature and nonhuman creatures we practice a nonutilitarian morality that makes sacrifice a rational and reasonable choice Recognizing these everyday ethics Anna L Peterson argues helps us move past the seemingly irreconcilable conflicts of culture and refocus on issues that affect real social change Peterson begins by divining a second language for personal and political values a vocabulary derived from the loving and mutually beneficial relationships of daily life Even if our interactions with others are fleeting and fragmentary they provide a viable alternative to the contractual and atomistic attitudes of mainstream culture Everyday ethics point toward a more just humane and sustainable society and to acknowledge moments of grace in our daily encounters is to realize a different way of relating to people and nonhuman nature an alternative ethic to cynicism and rank consumerism In redefining the parameters of morality Peterson enables us to make fundamental problems such as the distribution of wealth the use of public land and natural resources labor and employment policy and the character of political institutions the preferred focus of debate and action

The Pastor's Personal Friendships: Conflicts, Boundaries, and Benefits David Simmons, 2014-04-28 This book examines the pastor's friendships as they impact a pastor's effectiveness in ministry and his or her personal well being Because friendships require high levels of self disclosure friendships introduce potential conflict for the pastor as personal self disclosure may conflict with the pastor's expected role Taking a qualitative approach this study looks at how pastors navigate the areas of friendship both inside and outside their congregations The research involved interviews with ten congregational pastors and reports themes that emerged from the interviews The researcher developed four friendship types that assist the pastor in balancing pastoral role expectation with expression of vulnerability

Love, Human and Divine Edward Collins Vacek, 1994-04-01 Although the two great commandments to love God and to love our neighbors as ourselves are central to Christianity few theologians or spiritual writers have undertaken an extensive account of the meaning and forms of these loves Most accounts in fact make love of God and love of self either impossible or immoral Integrating these

two commandments Edward Vacek SJ develops an original account of love as the theological foundation for Christian ethics Vacek criticizes common understandings of agape eros and philia examining the arguments of Aquinas Nygren Outka Rahner Scheler and other theologians and philosophers He defines love as an emotional affirmative participation in the beloved's real and ideal goodness and he extends this definition to the love between God and self Vacek proposes that the heart of Christian moral life is loving cooperation with God in a mutually perfecting friendship *The Word Before the Powers* Charles L. Campbell, 2002-01-01 In this examination of the ethical significance of preaching Charles Campbell provides both fresh insights into the relationship between preaching and ethics and a challenging moral vision for the contemporary church Moving beyond a narrow focus on moral decision making or social issues sermons Campbell argues that a particular ethic nonviolent resistance is inherent in the practice of preaching and shapes the moral life of the church In the face of the powers the fundamental ethical task of preaching involves building up the church as a community of resistance Employing three dimensions of character ethics vision practices and virtues Campbell demonstrates the concrete ways in which preachers may undertake this task Journal of Moral Theology, Volume 10, Issue 1 Jason King, M. Wadell, 2009-03-01 Thomas Aquinas was a man with a strategy not a strategy to assist us in good decision making or a strategy to help us resolve our problems of conscience but a strategy to work toward our personal transformation in light of God's love for us Aquinas has traditionally been represented as a man whose ethics are overly rational excessively formal and too scholarly to be of much use in contemporary society *The Primacy of Love* gives us a fresh look at his ethical thought and invites us to become part of his vision of the moral life as partners in God's perfect love Author Paul Wadell gives special attention to the role of the passions affections and emotions in our moral life and creates a richly humane and compelling study written in a clear and accessible style *The Primacy of Love* is a modern map for our own moral journey that is not so much something to study but a way of life in which to participate To follow this journey is to take up an adventure that will involve you from the center of your being and will change you forever
