The Hindu Diaspora Steven Vertovec, 2013-10-11 Hinduism outside the Indian subcontinent represents a contrasting and scattered community From Britain to the Caribbean diasporic Hindus have substantially reformed their beliefs and practices in accordance with their historical and social circumstances In this theoretically innovative analysis Steven Vertovec examines the historical construction of the category Hinduism in India the formation of a distinctive Caribbean Hindu culture during the nineteenth century the role of youth groups in forging new identities during Trinidad's Hindu Renaissance the reproduction of regionally based identities and frictions in Britain's Hindu communities the differences in temple use across the diaspora This book provides a rich and fascinating view of the Hindu diaspora in the past present and its possible futures

The New Immigrant and the American Family Marcelo M. Suárez-Orozco, Carola Suárez-Orozco, Desirée Qin-Hilliard, 2014-07-16 This six volume set focuses on Latin American Caribbean and Asian immigration which accounts for nearly 80 percent of all new immigration to the United States The volumes contain the essential scholarship of the last decade and present key contributions reflecting the major theoretical empirical and policy debates about the new immigration The material addresses vital issues of race gender and socioeconomic status as they intersect with the contemporary immigration experience Organized by theme each volume stands as an independent contribution to immigration studies with seminal journal articles and book chapters from hard to find sources comprising the most important literature on the subject The individual volumes include a brief preface presenting the major themes that emerge in the materials and a bibliography of further recommended readings In its coverage of the most influential scholarship on the social economic educational and civil rights issues revolving around new immigration this collection provides an invaluable resource for students and researchers in a wide range of fields including contemporary American history public policy education sociology political science demographics immigration law ESL linguistics and more

Cultural Education - Cultural Sustainability Zvi

Bekerman, Ezra Kopelowitz, 2008-02-06 This volume is a path breaking contribution to the study of efforts of diaspora indigenous and minority groups broadly defined to use education formal and informal to sustain cultural continuity while grappling with the influences and demands of wider globalizing nationalizing or other homogenizing and assimilatory forces Particular attention is given to groups that use educational elements other than second language teaching alone in programs to sustain their particular cultural traditions The focus of the book on cultural sustainability changes the nature of questions posed in multicultural education from those that address the opening of boundaries to issues of preserving boundaries in an open yet sustainable way As forced and elective immigration trends are changing the composition of societies and the educational systems within them bringing a rich diversity of cultural experience to the teaching learning process diaspora indigenous and minority groups are looking more and more for ways to sustain their cultures in the context of wider socio political influences This volume is a first opportunity to consider critically multicultural efforts in dialogue with educational options that are culturally particularistic but at the same time tolerant Academics will find this an excellent reference book Practitioners will draw inspiration in learning of others efforts to sustain cultures and will engage in critical reflection on their own work vis vis that of others Teachers will realize they do not stand alone in their educational efforts and will uncover new strategies and methodologies through which to approach their work *Exploring Immigrant and Sexual Minority Mental Health* Pavna K. Sodhi, 2017-03-27 Exploring Immigrant and Sexual Minority Mental Health provides mental health practitioners with up to date theory cutting edge research and therapeutic strategies to assist them in their work with multicultural clients By focusing on the immigrant psyche this volume hones in on appropriate counseling interventions and effective culturally specific psychotherapeutic practices by introducing the use of Diversity and Identity Formation Therapy DIFT a theoretical concept designed for immigrant and sexual minority identity formation This work can be used in interdisciplinary settings and is applicable for those working in a number of mental health disciplines including counseling social work therapy and more Local Actions Melissa Checker, Maggie Fishman, 2004 Ten absorbing studies present activist groups across the country from transgender activists in New York City to South Asian teenagers in Silicon Valley to evangelical Christians and Palestinian Americans and examines a social change effort as it unfolds on the ground Through their anthropological approach these portraits of American society suggest the inherent possibilities in identity based organizing and offer crucial in depth perspectives on such hotly debated topics as multiculturalism and the culture wars the environment racism public education Native American rights and the Christian right **The Store in the Hood** Steven J. Gold, 2010-10-16 The Store in the Hood is a comprehensive study of conflicts between immigrant merchants and customers throughout the U S during the 20th century From the lynchings of Sicilian immigrant merchants in the late 1800s to the riots in L A following the acquittal of the police officers who beat Rodney King to present day Detroit recurrent conflicts between immigrant business owners and their customers have disrupted the stability of American life Devastating human lives

property and public order these conflicts have been the subject of periodic investigations that are generally limited in scope and emphasize the outlooks and cultural practices of the involved groups as the root of most disputes This book develops a more nuanced understanding by exploring merchant customer conflicts over the past hundred years across a wide range of ethnic groups and settings Utilizing published research official statistics interviews and ethnographic data collected from diverse locations the book reveals how powerful groups and institutions have shaped the environments in which merchant customer conflicts occur These conflicts must be seen as products of the larger society s values policies and structures not solely as a consequence of actions by immigrants the urban poor and other marginal groups **Far East, Down South**

Raymond A. Mohl, John E. Van Sant, Chizuru Saeki, 2016-10-25 Offers a collection of ten insightful essays that illuminate the little known history and increasing presence of Asian immigrants in the American southeast In sharp contrast to the melting pot reputation of the United States the American South with its history of slavery Jim Crow and the civil rights movement has been perceived in stark and simplistic demographic terms In Far East Down South editors Raymond A Mohl John E Van Sant and Chizuru Saeki provide a collection of essential essays that restores and explores an overlooked part of the South s story that of Asian immigration to the region These essays form a comprehensive overview of key episodes and issues in the history of Asian immigrants to the South During Reconstruction southern entrepreneurs experimented with the replacement of slave labor with Chinese workers As in the West Chinese laborers played a role in the development of railroads Japanese farmers also played a more widespread role than is usually believed Filipino sailors recruited by the US Navy in the early decades of the twentieth century often settled with their families in the vicinity of naval ports such as Corpus Christi Biloxi and Pensacola Internment camps brought Japanese Americans to Arkansas Marriages between American servicemen and Japanese Korean Filipina Vietnamese and nationals in other theaters of war created many thousands of blended families in the South In recent decades the South is the destination of internal immigration as Asian Americans spread out from immigrant enclaves in West Coast and Northeast urban areas Taken together the book s essays document numerous fascinating themes the historic presence of Asians in the South dating back to the mid nineteenth century the sources of numerous waves of contemporary Asian immigration to the South and the steady spread of Asians out from the coastal port cities Far East Down South adds a vital new dimension to popular understanding of southern history Ethno-Architecture and the Politics of Migration Mirjana Lozanovska, 2015-12-22 Ethno Architecture and the Politics of Migration explores the interface between migration and architecture Cities have been substantially affected by transnational migration but the physical manifestations of migration in architecture and its effect on streetscape neighbourhood and city have so far been understudied This contributed volume examines how migrants interact with adapt and construct new architecture Looking at the physical urban and cultural impact of these changes on a variety of sites the authors explore architecture as an identity category and investigate what buildings and places associated with migration tell us about central questions of belonging

culture community and home in regions such as North America Australia and the UK An important contribution to debates on place identity and the transformation of places as a result of mobility and globalised economies in the 21st century *Asian Americans* Pyong Gap Min,2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony BrookOffering a broad overview of the Asian American experience *Asian Americans* provides an accessible resource for all students interested in the expanding and important Asian American population While historical information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations Key Features Covers the Asian American population as a whole as well as individual ethnic groups i e Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from 2000 Census data but also has a focus on the second generation experience **Navigating Model Minority Stereotypes** Rupam Saran,2015-08-11 Though Asian Indians are typically thought of as a model minority not much is known about the school experiences of their children Positive stereotyping of these immigrants and their children often masks educational needs and issues creates class divides within the Indian American community and triggers stress for many Asian Indian students This volume examines second generation America born and 1 5 generation foreign born Asian Indians as they try to balance peer culture home life and academics It explores how through the acculturation process these children either take advantage of this positive stereotype or refute their stereotyped ethnic image and move to downward mobility Focusing on migrant experiences of the Indian diasporas in the United States this volume brings attention to highly motivated Asian Indian students who are overlooked because of their cultural dispositions and outlooks on schooling and those students who are more likely to underachieve It highlights the assimilation of Asian Indian students in mainstream society and their understandings of Americanization social inequality diversity and multiculturalism When Women Come First Sheba George,2005-07-18 With a subtle yet penetrating understanding of the intricate interplay of gender race and class Sheba George examines an unusual

immigration pattern to analyze what happens when women who migrate before men become the breadwinners in the family Focusing on a group of female nurses who moved from India to the United States before their husbands she shows that this story of economic mobility and professional achievement conceals underlying conditions of upheaval not only in the families and immigrant community but also in the sending community in India This richly textured and impeccably researched study deftly illustrates the complex reconfigurations of gender and class relations concealed behind a quintessential American success story When Women Come First explains how men who lost social status in the immigration process attempted to reclaim ground by creating new roles for themselves in their church Ironically they were stigmatized by other upper class immigrants as men who needed to play in the church because the nurses were the bosses in their homes At the same time the nurses were stigmatized as lower class sexually loose women with too much independence George s absorbing story of how these women and men negotiate this complicated network provides a groundbreaking perspective on the shifting interactions of two nations and two cultures **Where Are You From?** Dhooleka Sarhadi Raj,2003-08-25 This intriguing book looks at issues of immigration postmodern identity and difference through the lives of South Asians in Britain
