Hill, 2025-04-23 From blue note turmoil to grace note power Black women preachers stand tall In *Colored Women Sittin' on High* Melanie R Hill offers a new perspective on the art of the sermon in African American literature music and theology Drawing on the womanist cadence of Alice Walker in literature and the rhythmical flow of named womanist theologians Hill makes interventions at the intersections of African American literary criticism music and religious studies Pushing against the patriarchal dominance that often exists in religious spaces Hill argues that Black women's religious practice creates a sermonic space that thrives inside and outside the church allowing for a critique of sexism and anti Black racism She examines literature by writers such as Zora Neale

Behind the Masks Mary Alice Beasley,2019-05-11 In these hybrid tales a fusion of facts and fiction everyone has a hidden story Part 1 chronicles the journey of nine first year teachers Baby Boomers from their initial hiring during the tumultuous onset of school busing and integration in 1970 to their retirement four decades later Behaviors attitudes and social interactions observed during their careers are emphasized Their personal stories demonstrate how lingering intrapersonal conflicts affect day to day relations People are complex and many factors influence conduct Depending on the wants needs desires motives checked but unclaimed emotional baggage they can be masters of deception Like actors in plays most wear masks and perform according to well rehearsed scripts To discern the content of a person s character one must look behind the masks In part 2 using the setting and timeline of the teachers journey in part 1 a retired educator summarizes decade by decade the social political educational and economic changes in the community to prepare her granddaughters Millennials for the challenges they will face in the era of Black Lives Matter She concludes by reemphasizing the unfortunate but necessary talk African American parents give their teenagers about the perils of life as they embark upon meandering journeys in pursuit of their dreams

Greek Letter Exposed Rayford L. Johnson,2024-02-26 Ever wondered why secret societies are secret Why is it that an overwhelming majority of elite leaders in America including those who ve occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon Why is death the penalty for breaking a secret society oath Why do they pay homage to pagan gods and goddesses Why do many self proclaimed Christians belong to these secret societies when their practices blatantly violate God s Commandments such as Exodus 20 3 which states Thou shalt have no other gods before me And why don t their pastors say anything about it Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs scholarships volunteering youth mentoring etc that even the lower ranking members of these societies don t know about Could today s network of these

secret societies be the architects and workers of the antichrist New World Order aka Illuminati as prophesied in the Holy Bible These questions and more will be answered by author and Evangelist Rayford L Johnson who has spent more than 20 years researching writing and teaching on the occult Johnson has counseled and ministered demon deliverance prayers on many former members of the occult Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the spiritual legalities of breaking God s commandments The Truth Shall Make You Free John 8 32 <http://www.thugexposed.org> *Valley Forge National Historical Park, General Management Plan ,2007* Mary McLeod Bethune and the National Council of Negro Women Elaine M.
