Rzepka, Lee Horsley, 2020-07-13 *A Companion to Crime Fiction* presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day A collection of forty seven newly commissioned essays from a team of leading scholars across the globe make

this Companion the definitive guide to crime fiction Follows the development of the genre from its origins in the eighteenth century through to its phenomenal present day popularity Features full length critical essays on the most significant authors and film makers from Arthur Conan Doyle and Dashiell Hammett to Alfred Hitchcock and Martin Scorsese exploring the ways in which they have shaped and influenced the field Includes extensive references to the most up to date scholarship and a comprehensive bibliography Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen ,2003 *Blood Washes Blood* Frank Viviano,2002-04-04 Viviano travels to his family's ancestral home in western Sicily to investigate the murder of his great great grandfather more than a hundred years before He uncovered a web of family loyalty blood feuds and codes of silence **American Noir** Barry Forshaw,2017-04-26 Barry Forshaw is acknowledged as a leading expert on crime fiction and film Following his books on Nordic Noir Brit Noir and Euro Noir he now tackles the largest and some might argue most impressive body of crime fiction from a single country the United States to produce the perfect reader's guide to modern American crime fiction The word Noir is used in its loosest sense every major living American writer is considered including the giants Harlan Coben Patricia Cornwell James Lee Burke James Ellroy and Sara Paretsky as well as non crime writers such as Stephen King who stray into the genre often through a concentration on one or two key books Many exciting new talents are highlighted and Barry Forshaw's knowledge of and personal acquaintance with many of the writers grants valuable insight into this massively popular field But the crime genre is as much about films and TV as it is about books and American Noir is a celebration of the former as well as the latter US television crime drama in particular is enjoying a golden age and all of the important current series are covered here as well as key contemporary films **The Publishers Weekly** ,2002 Paradise City Lorenzo Carcaterra,2004-09-14 The most exciting achievement to date from the acclaimed author of *Sleepers* and *Gangster* *Paradise City* is a riveting thriller of two cops and two countries a stunning crime novel about the roots of revenge honor and evil As a fifteen year old Giancarlo Lo Manto learned about injustice the hard way His father was gunned down by the Camorra the murderous clan run by Don Nicola Rossi When his mother moved him from New York back to his family's ancestral home in Naples Gian found himself face to face with the source of the mob's strength the spring that spawned its deadly killers Today twenty three years later he is a dogged detective on the Naples police force homicide division the most dangerous beat in Europe He is the nemesis of all who export evil the man who stops it before it spreads overseas His efforts have not gone unnoticed The strength of Naples reinforces the muscle of New York and now the two worlds are about to collide In the highest towers of the most expensive streets of New York City Pete Rossi the son of Don Nicola has decided to bring Gian back to America permanently When Gian learns that his teenage niece Paula has gone missing in Manhattan he cancels a much needed vacation to Capri to paradise joking that one island is just as good as the other Gian's homecoming will be anything but smooth Someone must always watch his back and Detective Jennifer Fabini gets the job A gifted officer with her own personal demons Jennifer thinks she'll

be dealing with a peasant from the old country The handsome reserved unrelenting Gian is a revelation an irritant and a temptation especially for a woman who has sworn off cops as lovers Together the two must solve a disappearance that appears to be a kidnapping but turns out to be a deadly trap As they dash from the sun struck villages of Italy to the darkest drug dens of New York their journey links old world honor and modern day danger and ends in a dizzying explosion of the present and the past Paradise City is Lorenzo Carcaterra s richest entertainment a book that is at once a sensational crime novel and a provocative exploration of his trademark themes violence and innocence love and revenge **Bibliografija američkih knjiga prevedenih u Srbiji i Crnoj Gori od 2000. do 2005. godine** Vesna Injac,Milorad Vučković,2006

Library Journal ,2003 **The Program** Stephen White,2008-12-18 The Program safeguards the truth but when The Program has a hidden agenda the protected become the hunted With his nuanced psychological insight inscrutable plotting and a captivating lead character that parallels Jonathan Kellerman s Alex Delaware Stephen White s Alan Gregory novels have become perennial national bestsellers But with The Program White has challenged himself and honed his craft with remarkable assurance to create a rare breed of thriller A dazzling mix of first person and omniscient voices rewards readers with an irresistible narrative momentum But the heart and soul of the novel is an indomitable woman reevaluating the seemingly innocuous choices she s made in the past while confronting the horrifying circumstances that threaten her family s future survival Every precious thing I lose you will lose two The Program begins with a condemned man s last words to New Orleans District Attorney Kirsten Lord After her husband is gunned down in front of her Lord has no choice but to flee the wrath of the murderer s vengeance Lord pulls up stakes changes her name and accepts the Witness Protection Program s offer to hide her and her young daughter in Boulder Colorado Soon thereafter they are befriended by Program veteran Carl Luppo a solitary mob assassin tormented by his former life who has nothing but time for regret Sensing that someone inside the program has compromised Lord and her daughter s safety Luppo takes on the role of sentinel fully realizing that this may be his last shot at redemption Even though Lord suspects that Luppo s warnings about the Program s dark side are justified and that she should believe the former hit man s instincts the only people she can really trust are her nine year old daughter and perhaps her Program appointed psychologist Alan Gregory Fans of White s previous work will applaud the brilliant use of series favorite Alan Gregory in a seemingly secondary role in the novel and new readers will find themselves compelled to find out what Gregory has encountered before But all readers will agree that The Program is a superior thriller a novel firmly grounded in the realities of three dimensional characters in crisis and driven with the narrative pace of a guilty pleasure
