**Gotama The Buddha** Dr. Dhananjay Chavan, A book not only for every follower of the Buddha around the world but also for every person who wants to understand the Buddha This book is a study with a heart but one where reason is allowed to be free In any study of the historical Buddha there are two major obstacles to confront Firstly there are the systematic prejudices that developed against him through the centuries in his own country Secondly some of the fantastic myths associated with him can give pause to a modern man of science As this book shows however these hurdles can be readily surmounted This is done by responding to the Buddha s famous exhortation to come and see Rather than accept the Buddha blindly the book invites readers to simply open their hearts and minds enough to examine him in a fair manner Though the author uses the Tipitaka as his primary authority he does not tie himself to any particular tradition The Buddha s universal

teaching came out of the Indian subcontinent's agrarian culture. He was firmly rooted in this world and not in any heavenly realms. The book takes the reader on a journey into the life and the teachings of this son of Earth, an extraordinary human being who offered his fellow humans a timeless road map to a happy life. The book also raises questions that will hopefully help to foster healthy dialogue in the true spirit in which the Buddha wanted others to look at and follow his teaching.

**WALK TOWARDS LORD BUDDHA** Subhash Vasant Dhanavade, 2021-10-27. This book examines a number of core concepts and theories which are common in Buddhism. The author tries to depict the doctrines in Buddhism through this book. This book is a study of the significance of Ashoka Chakra and the meaning of its Twenty Four Spokes in Buddhism. It also discusses Tathagata Gautama Buddha's theory of Noble Eightfold Path. The author makes an effort to connect some life events of Tathagata Gautama Buddha in this book. The book is about Lord Buddha's theory of Path to Liberation. All these concepts are presented with a level of thoughts and details that make the book much more than just an overview. Note: This introduction can be rewritten as per the needs for further references. **AKASHVANI** Publications Division (India), New Delhi, 1958-04-27.
