**The Gender Communication Connection** Teri Kwal

Gamble, Michael W. Gamble, 2020-11-09 The third edition of this classic text helps readers consider the myriad ways gendered attitudes and practices influence communication in our personal and professional interactions. Written in an engaging style with a wide array of exercises designed to challenge and interest readers in applying what they learn, the book integrates research with examples from contemporary life related to gender and culture, race, class, and media. Among new topics covered in this edition are multiple genders, gender activism, and the MeToo movement and challenges of twenty-first-century masculinities and femininities, including expanded coverage of contemporary male issues. Fresh coverage is also afforded to each communication context, particularly gender at work, the legal and political spheres, global cultures, and the digital world, including social media. The book is ideally suited for undergraduate courses in gender and communication within communication studies, sociology, and business departments. Online resources include lecture slides and an instructor's manual.

*Intercultural Communication: A Critical Introduction* Ingrid Piller, 2011-04-29 Combining perspectives from discourse analysis and sociolinguistics, this introduction provides students with a comprehensive, up-to-date and critical overview of the field of intercultural communication. Ingrid Piller explains communication in context using two main approaches. The first treats cultural identity, difference, and similarity as discursive constructions. The second, informed by bilingualism studies, highlights the use and prestige of different languages and language varieties, as well as the varying access that speakers have to them. Linguistics students will find this book a useful tool for studying language and globalization, as well as applied linguistics.

*Gender in Communication* Catherine H. Palczewski, Danielle McGeough, Victoria Pruin DeFrancisco, 2022-08-29 *Gender in Communication: A Critical Introduction* embraces the full range of diverse gender identities and expressions to explore how gender influences communication, as well as how communication shapes our concepts of gender for the individual and for society at large. Authors Catherine Helen Palczewski, Danielle D. McGeough, and Victoria Pruin DeFrancisco equip readers with the critical analysis tools to form their own conclusions about the ever-changing processes of gender in communication. This comprehensive gender communication book is the first to extensively address the roles of religion, the gendered body, single-sex education, an institutional analysis of gender construction, social construction theory, and more. The Fourth Edition has streamlined the text to make it more accessible to students without sacrificing the sophistication of the book's trademark intersectional approach.
