The Spanish Baroque Comedia and the Crown: A Study in Gender and Power

Gendering The Crown In The Spanish Baroque Comedia

Lorraine Ryan

Gendering The Crown In The Spanish Baroque Comedia:

Gendering the Crown in the Spanish Baroque Comedia María Cristina Quintero, 2016-04-15 The Baroque Spanish stage is populated with virile queens and feminized kings This study examines the diverse ways in which seventeenth century comedias engage with the discourse of power and rulership and how it relates to gender A privileged place for ideological negotiation the comedia provided negative and positive reflections of kingship at a time when there was a perceived crisis of monarchical authority in the Habsburg court Author María Cristina Quintero explores how playwrights such as Pedro Calderón de la Barca Tirso de Molina Antonio Coello and Francisco Bances Candamo taking inspiration from legend myth and history repeatedly staged fantasies of feminine rule at a time when there was a concerted effort to contain women's visibility and agency in the public sphere The comedia's preoccupation with kingship together with its obsession with the representation of women and women's bodies renders the question of royal subjectivity inseparable from issues surrounding masculinity and femininity Taking into account theories of performance and performativity within a historical context this study investigates how the themes imagery and language in plays by Calderón and his contemporaries reveal a richly paradoxical presentation of gendered monarchical power

The Routledge Research Companion to Early Modern Spanish Women Writers Nieves Baranda, Anne J. Cruz, 2017-08-14 In Spain the two hundred years that elapsed between the beginning of the early modern period and the final years of the Habsburg Empire saw a profusion of works written by women Whether secular or religious noble or middle class early modern Spanish women actively composed creative works such as poetry prose narratives and plays The Routledge Research Companion to Early Modern Spanish Women Writers covers the broad array of different kinds of writings literary as well as extra literary that these women wrote taking into consideration their subject positions and the cultural and historical contexts that influenced

and were influenced by them Beyond merely recognizing the individual women authors who had influence in literary religious and intellectual circles this Research Companion investigates their participation in these circles through their writings as well as the ways in which their texts informed Spain's cultural production during the early modern period In order to contextualize women's writings across the historical and cultural spectrum of early modern Spain the Research Companion is divided into six sections of general thematic interest Women's Worlds Conventual Spaces Secular Literature Women in the Public Sphere Private Circles Women Travelers Each section is subdivided into chapters that focus on specific issues or topics

Beyond Spain's Borders Anne J. Cruz, Maria Cristina Quintero, 2016-11-03 The prolific theatrical activity that abounded on the stages of early modern Europe demonstrates that drama was a genre that transcended national borders The transnational character of early modern theater reflects the rich admixture of various dramatic traditions such as Spain's comedia and Italy's commedia dell'arte but also the transformations across cultures of Spanish novellas to French plays and English interludes Of particular import to this study is the role that women and gender played in this cross pollination of theatrical sources and practices Contributors to the volume not only investigate the gendered effect of Spanish texts and literary types on English and French drama they address the actual journeys of Spanish actresses to French theaters and of Italian actresses to the Spanish stage while several emphasize the movement of royal women to various courts and their impact on theatrical activity in Spain and abroad In their innovative focus on women's participation and influence the chapters in this volume illustrate the frequent yet little studied transnational and transcultural points of contact between Spanish theater and the national theaters of England France Austria and Italy

The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture Rodrigo Cacho Casal, Caroline Egan, 2022-05-01 The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture introduces the intellectual and artistic breadth of early modern Spain from a range of disciplinary and critical perspectives Spanning the sixteenth and seventeenth centuries a period traditionally known as the Golden Age the volume examines topics including political and scientific culture literary and artistic innovations and religious and social identities and institutions in transformation The 36 chapters of the volume include both expert overviews of key topics and figures from the period as well as new approaches to understudied questions and materials This invaluable resource will be of interest to advanced students and scholars in Hispanic studies as well as Renaissance and early modern studies more generally

Masculine Virtue in Early Modern Spain Shifra Armon, 2016-03-03 Masculine Virtue in Early Modern Spain extricates the history of masculinity in early modern Spain from the narrative of Spain's fall from imperial power after 1640 This book culls genres as diverse as emblem books poetry drama courtesy treatises and prose fiction to restore the inception of courtiership at the Spanish Hapsburg court to the history of masculinity Refuting the current conception that Spain's political decline precipitated a crisis of masculinity Masculine Virtue maps changes in figurations of normative masculine conduct from 1500 to 1700 As Spain assumed the role

of Europe's first modern centralized empire codes of masculine conduct changed to meet the demands of global rule Viewed chronologically Shifra Armon shows Spanish conduct literature to reveal three axes of transformation The ideal subject gendered male in both practice and law became progressively more adaptable to changing circumstances more intensely involved in currying his own public image and more desirous of achieving renown By bringing recent advances in gender theory to bear on normative rather than non normative masculinities of early modern Spain Armon is able to foreground the emergence of energizing new models of masculine virtue that continue to resonate today

Staging and Stage Décor:

Early Modern Spanish Theater Bárbara Mujica, 2022-06-05 This is the first book on staging and stage décor to focus specifically on early modern Spanish theater from the 16th to the early 20th centuries The introduction provides an overview of Spanish theater design from the 16th century with particular attention to the corral theater and Lope de Vega The scope of the book is vast Some of the articles deal with early modern stagings while others deal with contemporary productions The collection contains articles by an international array of specialists on topics such as scenography and costuming lighting and performance space It also broaches little studied areas such as the use of alternative performance spaces most notably prisons The book provides in depth analyses of particular archetypes the melancholiac the queen the astrologer and how they were and are staged The focus on performance and performance space costuming set design lighting and audience seating make this a truly unique volume This book is designed for students of Spanish literature and theater researchers interested in theater history and early modern Spain as well as theater professionals

The Literary Side of the Armada Cristina Vallaro, 2021-09-17 The Anglo Spanish War in the 16th century reached its climax in August 1588 when King Philip's Felicissima Armada challenged Queen Elizabeth's fleet in the waters of the Channel If the outcome of the war has been much commented on and debated throughout the centuries the impact the war had on literature has been neglected for a long time This book presents to scholars students and readers how the Armada was dealt with in the literature of the countries involved in the conflict It offers a view on the Armada from both Spanish and English voices Shakespeare Marlowe Spenser and Drayton are flanked by Góngora Cervantes and Lope de Vega

Women Warriors in Early Modern Spain Susan L. Fischer, Frederick A. de Armas, 2019-07-18 Although scholars often depict early modern Spanish women as victims history and fiction of the period are filled with examples of women who defended their God given right to make their own decisions and to define their own identities The essays in Women Warriors in Early Modern Spain examine many such examples demonstrating how women battled the status quo defended certain causes challenged authority and broke barriers Such women did not necessarily engage in masculine pursuits but often used cultural production and engaged in social subversion to exercise resistance in the home in the convent on stage or at their writing desks Distributed for the University of Delaware Press

The Image of Elizabeth I in Early Modern Spain Eduardo Olid Guerrero, Esther Fernández, 2019-03-01 Queen Elizabeth I was an iconic figure in England during her reign with many contemporary English portraits and literary works

extolling her virtue and political acumen In Spain however her image was markedly different While few Spanish fictional or historical writings focus primarily on Elizabeth numerous works either allude to her or incorporate her as a character The Image of Elizabeth I in Early Modern Spain explores the fictionalized historical and visual representations of Elizabeth I and their impact on the Spanish collective imagination Drawing on works by Miguel de Cervantes Lope de Vega Pedro de Ribadeneira Luis de G ngora Crist bal de Viru s Antonio Coello and Calder n de la Barca among others the contributors to this volume limn contradictory assessments of Elizabeth s physical appearance private life personality and reign In doing so they articulate the various and sometimes conflicting ways in which the Tudor monarch became both the primary figure in English propaganda efforts against Spain and a central part of the Spanish political agenda This edited volume revives and questions the image of Elizabeth I in early modern Spain as a means of exploring how the queen s persona as mediated by its Spanish reception has shaped the ways in which we understand Anglo Spanish relations during a critical era for both kingdoms

Medical Cultures of the Early Modern Spanish Empire John Slater, Maríaluz López-Terrada, José Pardo-Tomás, 2016-04-29 Early modern Spain was a global empire in which a startling variety of medical cultures came into contact and occasionally conflict with one another Spanish soldiers ambassadors missionaries sailors and emigrants of all sorts carried with them to the farthest reaches of the monarchy their own ideas about sickness and health These ideas were in turn influenced by local cultures This volume tells the story of encounters among medical cultures in the early modern Spanish empire The twelve chapters draw upon a wide variety of sources ranging from drama poetry and sermons to broadsheets travel accounts chronicles and Inquisitorial documents and it surveys a tremendous regional scope from Mexico to the Canary Islands the Iberian Peninsula Italy and Germany Together these essays propose a new interpretation of the circulation reception appropriation and elaboration of ideas and practices related to sickness and health sex monstrosity and death in a historical moment marked by continuous cross pollination among institutions and populations with a decided stake in the functioning and control of the human body Ultimately the volume discloses how medical cultures provided demographic analytical and even geographic tools that constituted a particular kind of map of knowledge and practice upon which were plotted the local utilities of pharmacological discoveries cures for social unrest or decline spaces for political and institutional struggle and evolving understandings of monstrosity and normativity Medical Cultures of the Early Modern Spanish Empire puts the history of early modern Spanish medicine on a new footing in the English speaking world

Memory and Spatiality in Post-Millennial Spanish Narrative Lorraine Ryan, 2016-04-22 Focusing on literary texts produced from 2000 to 2009 Lorraine Ryan examines the imbrication between the preservation of Republican memory and the transformations of Spanish public space during the period from 1931 to 2005 Accordingly Ryan analyzes the spatial empowerment and disempowerment of Republican memory and identity in Dulce Chac n s Cielos de barro ngeles L pez s Martina la rosa n mero trece Alberto M ndez s Los girasoles ciegos Carlos Ruiz Zaf n s La sombra del viento Emili Teixidor s

Pan negro Bernardo Atxaga's *El hijo del acordeonista* and Jos María Merino's *La sima* The interrelationship between Republican subalternity and space is redefined by these writers as tense and constantly in flux undermined by its inexorable relationality which leads to subjects endeavoring to instill into space their own values Subjects erode the hegemonic power of the public space by articulating in an often surreptitious form their sense of belonging to a prohibited Republican memory culture In the democratic period they seek a categorical reinstatement of same on the public terrain Ryan also considers the motivation underlying this coterie of authors commitment to the issue of historical memory an analysis which serves to amplify the ambits of existing scholarship that tends to ascribe it solely to postmemory

Masculinity and Queer Desire in Spanish Enlightenment Literature Mehl Allan Penrose, 2016-05-06 In *Masculinity and Queer Desire in Spanish Enlightenment Literature* Mehl Allan Penrose examines three distinct male figures each of which was represented as the Other in eighteenth and early nineteenth century Spanish literature The most common configuration of non normative men was the petimetre an effeminate Francophile male who figured a failed masculinity a dubious sexuality and an invasive French cultural presence Also inscribed within cultural discourse were the bujarrón or sodomite who participates in sexual relations with men and the Arcadian shepherd who expresses his desire for other males and who takes on agency as the voice of homoerotica Analyzing journalistic essays poetry and drama Penrose shows that Spanish authors employed queer images of men to engage debates about how males should appear speak and behave and whom they should love in order to be considered real Spaniards Penrose interrogates works by a wide range of writers including Luis Cañuelo Ramón de la Cruz and Félix María de Samaniego arguing that the tropes created by these authors solidified the gender and sexual binary and defined and described what a queer man was in the Spanish collective imaginary *Masculinity and Queer Desire* engages with current cultural historical and theoretical scholarship to propose the notion that the idea of queerness in gender and sexuality based on identifiable criteria started in Spain long before the medical concept of the homosexual was created around 1870

The Formation of the Child in Early Modern Spain Grace E. Coolidge, 2016-03-16 Drawing on history literature and art to explore childhood in early modern Spain the contributors to this collection argue that early modern Spaniards conceptualized childhood as a distinct and discrete stage in life which necessitated special care and concern The volume contrasts the didactic use of art and literature with historical accounts of actual children and analyzes children in a wide range of contexts including the royal court the noble family and orphanages The volume explores several interrelated questions that challenge both scholars of Spain and scholars specializing in childhood How did early modern Spaniards perceive childhood In what framework literary artistic did they think about their children and how did they visualize those children's roles within the family and society How do gender and literary genres intersect with this concept of childhood How did ideas about childhood shape parenting parents and adult life in early modern Spain How did theories about children and childhood interact with the actual experiences of children and their parents The group of international scholars contributing to this book have developed a

variety of creative interdisciplinary approaches to uncover children's lives the role of children within the larger family adult perceptions of childhood images of children and childhood in art and literature and the ways in which children and childhood were vulnerable and in need of protection Studying children uncovers previously hidden aspects of Spanish history and allows the contributors to analyze the ideals and goals of Spanish culture the inner dynamics of the Habsburg court and the vulnerabilities and weaknesses that Spanish society fought to overcome *Hercules and the King of Portugal* Dian Fox-Hindley, 2019-01-08 *Hercules and the King of Portugal* investigates how representations of masculinity figure in the fashioning of Spanish national identity scrutinizing ways that gender performances of two early modern male icons Hercules and King Sebastian are structured to express enduring nationhood The classical hero Hercules features prominently in Hispanic foundational fictions and became intimately associated with the Hapsburg monarchy in the early sixteenth century King Sebastian of Portugal 1554-78 both during his lifetime and after his violent death has been inserted into his own land's charter myth even as competing interests have adapted his narratives to promote Spanish power The hybrid oral and written genre of poetic Spanish theater as purveyor and shaper of myth was well situated to stage and resolve dilemmas relating both to lineage determined by birth and performance of masculinity in ways that would ideally uphold hierarchy Dian Fox's ideological analysis exposes how the two icons are subject to political manipulations in seventeenth century Spanish theater and other media Fox finds that officially sanctioned and sometimes popularly produced narratives are undercut by dynamic social and gendered processes Hercules and Sebastian slip outside normative discourses and spaces to enact nonnormative behaviors and unproductive masculinities *The Palgrave Handbook of Shakespeare's Queens* Kavita Mudan Finn, Valerie Schutte, 2018-07-20 Of Shakespeare's thirty seven plays fifteen include queens This collection gives these characters their due as powerful early modern women and agents of change bringing together new perspectives from scholars of literature history theater and the fine arts Essays span Shakespeare's career and cover a range of famous and lesser known queens from the furious Margaret of Anjou in the Henry VI plays to the quietly powerful Hermione in *The Winter's Tale* from vengeful Tamora in *Titus Andronicus* to Lady Macbeth Early chapters situate readers in the critical concerns underpinning any discussion of Shakespeare and queenship the ambiguous figure of Elizabeth I and the knotty issue of gender presentation The focus then moves to analysis of issues such as motherhood intertextuality and contemporary political contexts close readings of individual plays and investigations of rhetoric and theatricality Featuring twenty five chapters with a rich variety of themes and methodologies this handbook is an invaluable reference for students and scholars and a unique addition to the fields of Shakespeare and queenship studies Winner of the 2020 Royal Studies Journal book prize **Pedro de Ribadeneyra's 'Ecclesiastical History of the Schism of the Kingdom of England'** Spencer J. Weinreich, 2017-03-06 In 1588 the Spanish Jesuit Pedro de Ribadeneyra published a history of the English Reformation which he continued to revise until his death in 1611 Spencer J. Weinreich's translation is the first English edition of the History one fully alive to its

metamorphoses over two decades Weinreich's introduction explores the text's many dimensions propaganda for the Spanish Armada anti Protestant polemic Jesuit hagiography consolation amid tribulation and assesses Ribadeneyra as a historian The extensive annotations anchor Ribadeneyra's narrative in the historical record and reconstruct his sources methods and revisions The History long derided as mere propaganda emerges as remarkable evidence of the centrality of historiography to the intellectual theological and political battles of early modern Europe

Canines in Cervantes and Velázquez John Beusterien,2016-04-08 The study of the creation of canine breeds in early modern Europe especially Spain illustrates the different constructs against which notions of human identity were forged This book is the first comprehensive history of early modern Spanish dogs and it evaluates how two of Spain's most celebrated and canonical cultural figures of this period the artist Diego Velázquez and the author Miguel de Cervantes radically question humankind's sixteenth century anthropocentric self fashioning In general this study illuminates how Animal Studies can offer new perspectives to understanding Hispanism giving readers a fresh approach to the historical literary and artistic complexity of early modern Spain

Argentine Serialised Radio Drama in the Infamous Decade, 1930-1943 Lauren Rea,2016-04-15 In her study of key radio dramas broadcast from 1930 to 1943 Lauren Rea analyses the work of leading exponents of the genre against the wider backdrop of nation building intellectual movements and popular culture in Argentina During the period that has come to be known as the infamous decade radio serials drew on the Argentine literary canon with writers such as Hector Pedro Blomberg and José Andrés González Pulido contributing to the nation building project as they reinterpreted nineteenth century Argentina and repackaged it for a 1930s mass audience Thus a historical romance set in the tumultuous dictatorship of Juan Manuel de Rosas reveals the conflict between the message transmitted to a mass audience through popular radio drama and the work of historical revisionist intellectuals writing in the 1930s Transmitted at the same time González Pulido's gauchesque series evokes powerful notions of Argentine national identity as it explores the relationship of the gaucho with Argentina's immigrant population and advocates for the ideal contribution of women and the immigrant population to Argentine nationhood Rea grounds her study in archival work undertaken at the library of Argentores in Buenos Aires which holds the only surviving collection of scripts of radio serials from the period Rea's book recovers the contribution that these products of popular culture made to the nation building project as they helped to shape and promote the understanding of Argentine history and cultural identity that is widely held today

Memories of Colonisation in Medieval and Modern Castile Rebecca De Souza,2024-10-31 Memories of Colonisation in Medieval and Modern Castile Rereading and Refashioning al Andalus traces the evolving memory of a dominant al Andalus in medieval Castilian and later modern Spanish literature and its overlap with contemporary formations of collective identity race and nation It presents a series of close readings of neomedievalist literary works that look back to the socioeconomic apogee of al Andalus the tenth century Umayyad Caliphate of Cordoba from the thirteenth to the nineteenth century These works rewrite what has become known as the story of the

siete infantes de Lara although it is their Andalusí half brother Mudarra who takes centre stage from the early modern period on. In its earliest form it is a story of a weak conflictual county of Castile dependent socioeconomically and morally upon Andalusí intervention. This book therefore traces how a story of Castilian weakness is repeatedly rewritten once the reverse colonial dynamic had taken hold and Castile had begun conquering al Andalus. *Memories of Colonisation* asks why Mudarra and the infantes continue to reappear in medieval chronicles from the *Estoria de España* to lesser known regional historiography, early modern ballads, comedias and nineteenth century Romantic poetry and prose. By examining how each of these texts remember tenth century Iberia's fluid geographical and interracial boundaries, it explores how they support or challenge dominant contemporary discourses of collective identity, race and nation from the neogothic aspirations of thirteenth century Castile to the antisemitism of fifteenth century Toledo, expansion in the Mediterranean, the Islamophobia of the morisco expulsion and the partisan manipulation of al Andalus under nineteenth century liberalism. As the first study of the development of Spanish neomedievalism, it explores how this serves as a productive prescient discourse of cultural memory through which chroniclers, poets, playwrights and authors can look forward. It questions the inevitability of Christian Castilian colonial hegemony by invoking a narrative of Christian Iberia's own subjugation by a superior Umayyad Caliphate. It also explores how each text exposes the task of reconstructing historical memory in the present and thereby challenges the notion of a stable, incontestable past for Castile and Spain.

Decoding **Gendering The Crown In The Spanish Baroque Comedia**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Gendering The Crown In The Spanish Baroque Comedia**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Gendering The Crown In The Spanish Baroque Comedia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gendering The Crown In The Spanish Baroque Comedia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gendering The Crown In The Spanish Baroque Comedia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gendering The Crown In The Spanish Baroque Comedia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Gendering The Crown In The Spanish Baroque Comedia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gendering The Crown In The Spanish Baroque Comedia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Gendering The Crown In The Spanish Baroque Comedia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gendering The Crown In The Spanish Baroque Comedia is one of the best books in our library for free trial. We provide a copy of Gendering The Crown In The Spanish Baroque Comedia in digital format, so the resources that you find are reliable. There are also many eBooks of related works with Gendering The Crown In The Spanish Baroque Comedia. Where to download Gendering The Crown In The Spanish Baroque Comedia online for free? Are you looking for Gendering The Crown In The Spanish Baroque Comedia PDF? This is definitely going to save you time and cash in something you should think about.
