GENERAL CHEMISTRY

The Essential Concepts

A detailed illustration on a dark background showing several molecular models. In the center, a molecule with two large purple spheres connected by a thick, light-colored rod is shown. A green arrow curves upwards from this molecule towards a larger, more complex molecule in the upper right. To the left, a bright green laser beam originates from the bottom left corner and points towards a molecule consisting of two purple spheres. Other smaller molecules, some with two purple spheres and others with one, are scattered in the background.
