General Insurance Takaful Agent Handbook:

Handbook of Islamic Banking Kabir Hassan, Mervyn Lewis, 2009-01-01 The Handbook of Islamic Banking comprises 25 studies by leading international experts on Islamic banking and finance specially commissioned to analyse the various debates and the current state of play in the field From its origins thirty years ago Islamic banking has expanded rapidly to become a distinctive and fast growing segment of the international banking and capital markets Despite this expansion Islamic banking still remains poorly understood in many parts of the Muslim world and continues to be a mystery in much of the West This comprehensive Handbook provides a succinct analysis of the workings of Islamic banking and finance accessible to a wide range of readers At the same time it seeks to bring the current research agenda and the main issues on Islamic banking before a wider audience Islamic banking offers as an alternative to conventional interest based financing methods a wide variety of financial instruments and investment vehicles based on profit and loss sharing arrangements These are all explored in detail along with other subjects such as governance and risk management securities and investment structured financing accounting and regulation economic development and globalization M Kabir Hassan Mervyn Lewis and the other contributors have created an authoritative and original reference work which will contribute to a wider understanding of Islamic banking as well as provoking further discussion and research It will be invaluable to all scholars researchers and policymakers with an interest in this subject The Report: Brunei Darussalam 2011, 2011 *Research Handbook on International Insurance Law and Regulation* Julian Burling, Julian M. Burling, Kevin Lazarus, 2012 Global insurance and its rapidly evolving law and regulation demands international research To this aim the Handbook offers a truly international collection of essays Highly renowned experts analyze the key topics currently under international discussion and development While representing a diversity of national jurisdictions the focus lies on the largest insurance jurisdictions USA UK and Germany but newly important jurisdictions like Brazil and China are considered as well a most valuable and important contribution to international insurance law literature Manfred Wandt Director of the Insurance Law Institute Goethe University Frankfurt Germany This Research Handbook is published at an opportune time A global review of insurance law and regulation is underway Much reform happens locally with little reference to developments elsewhere and this Research Handbook brings the strands together It is a comprehensive review by distinguished authors from different backgrounds including both leading academics and practitioners They consider the definitions of insurance its economic underpinnings comparative law and regulations actual and proposed reforms the effects on underwriting and claims and how insurance is studied and taught Good laws and regulation benefit the market and its customers Bad laws and regulation do the opposite This book is required reading for all involved in the reform process David Hertzell Law Commissioner Globalisation has had no greater impact in the commercial world than on insurance the law which governs it and the risks it seeks to address Those who inspired this publication and the contributing authors are to be thanked for providing such a

necessary and useful reference source It covers so much of what insurance professionals need to be aware of in the insurance law world of the twenty first century Michael Gill President of the International Insurance Law Association Given its economic importance insurance is a field that has been underserved as an area of academic study This detailed book provides much needed coverage of insurance law and regulation in its international context Produced in association with Lloyd s it draws on the expertise both of academics and practising lawyers Containing 30 comprehensive chapters it provides in depth studies on key areas such as the role of international organisations the judicial interpretation of insurance contract clauses and transnational regulatory recognition It also provides thorough introductions to important jurisdictions including the EU US and Japan as well as focusing on newly emerging economies such as China and Brazil Specialist topics covered include regulation by and of Lloyd s the tort of bad faith in the US microinsurance and takaful insurance This well documented resource will appeal to academics and students in insurance law and regulation policymakers and private practice lawyers The book also aims to stretch the imagination of anyone with an interest in insurance law and regulation providing detailed analysis and avenues for further investigation
