Conspiracy Theorizing Gerald Arbuckle, 2024-05-01 Conspiracy Theorizing explore how should individuals with the Christian faith should react to conspiracy theories their untruths and their dangers This book outlines the way that conspiracy theories are the fundamental basis for this stigmatization and scapegoating It goes further to explain that scapegoating is fostering extreme divisions within in societies and between nations with each side often demonizing the other This book states how conspiracy theories satisfy people's needs for certainty security and a positive self image in a world they feel is disintegrating Uncovering deeper when the comforting securities of cultures crumble paranoia makes sense This book demonstrates that an inability to live with uncertainty and ambiguity draws people to conspiracy theories when they validate their apprehensions The commentary in this book also validates that since conspiracy theories can never be verified by objective research and truths they are one of the most problematic subjects to expose This book aims to answer these questions What are conspiracy theories Why do they arise especially in times of cultural upheavals Are they harmful What do the Christian Scriptures say about them Readers that are interested in religion

Christianity and conspiracy theories would enjoy this book

Darkened Enlightenment Tim Delaney, 2020-04-27 The premise of Darkened Enlightenment is to highlight the fact that there currently exist a number of socio political forces that have the design or ultimate consequence of trying to extinguish the light of reason and rationality The book presents a critique of modernity and provides a socio political and cultural analysis of world society in the early twenty first century Specifically this analysis examines the deterioration of democracy human rights and rational thought Key features include a combination of academic analysis that draws on numerous and specific examples of the growing darkness that surrounds us along with a balanced practical everyday life approach to the study of the socio political world we live in through the use of popular culture references and featured boxes The general audience will also be intrigued by these same topics that concern academics including a discussion on the meaning of fake news attacks on the media and a declaration of the news media as the enemy of the people the rise of populism and nationalism around the world the deterioration of freedom and human rights globally the growing economic disparity between the rich and the poor attempts to devalue education a growing disbelief in science attacks on the environment pseudoscience as a by product of unreasoned and irrational thinking the political swamp the power elites and the deep state and the variations of Big Business that impact our daily lives This book will make a great contribution to such fields as sociology philosophy political science environmental science public administration economics psychology and cultural studies

The Case of the Humanist MATEI Alexandru at the National Secret Political Organizations (Second Edition) Istvan Adorjan, 2021-06-09 Foreword With this book i reveal the hypothesized national secret political case of the romanian actor MATEI Alexandru 1927 2014 as a person chosen by the secret society termed by me romanian national secret political organization for utilization backing or persecution in the measure in which my research of his pieces of cinematographic or dramatic art made the revelation possible As such his case can be considered as being an evidence of the existence and actions of the romanian and other national secret political organizations
