

# Qualitative Reading Inventory-5

## **What is the Qualitative Inventory-5?**

- The QI-5 is an informal assessment that consists of leveled word lists and leveled expository and narrative reading passages.
- Students read word lists first to determine which level passage to start with.
- Results of the QI-5 show a student's independent, instructional and frustration levels in identifying words and comprehending texts.

Leslie, L. & Caldwell, J. S. (2011). Qualitative reading inventory-5. Boston, MA: Pearson.
