Brokaw, 2015-03-14 There s a nostalgia associated with model trains and railroading even if it s unspoken Railroads take us back to an earlier era A more basic time When spending a week or more on a train was seen as a luxury an event in itself not at as merely a mode of transportation You ve probably already scouted some model railroad shows You ve no doubt recognized the camaraderie and the passion these folks have And yes you re interested in becoming a part of that The Wonderful World of Model Trains will help you do just that It s a comprehensive guide to model railroading written for someone who is new to this hobby starting with some basic train knowledge terminologies and continuing on to the more detailed aspects of the hobby And yes this hobby can indeed get quite detailed And that tends to be intimidating to some people The beauty of this hobby is that you can get involved at just the level you care too You ll discover that every model railroader is in it for the love of the trains and the history The vast majority of us are not out to make a fast buck from our interests Here s some of the things you ll learn in The Wonderful World of Model Trains How to create stunning terrain in your scenery with these 3 simple techniques Different scales gauges standards in the world of model railroading and what they all mean 2 simple keys that are right in front of your eyes to build your own benchwork WARNING 3 things you should never do when it comes to wiring A pennies on the dollar approach to finding model train parts How to avoid derailing

problems 3 proven steps to running multiple trains on one track 6 time tested and proven strategies for laying out train tracks When to add onto your set with locomotives and rolling stock 7 everyday but often overlooked tips and tricks for building the best layouts for your scenery How to do general maintenance on your model trains and tracks And much more

The Big Book of Lionel Robert Schleicher, 2011-03-28 Updated edition The classic one stop treasury loaded with photos and practical advice for Lionel train enthusiasts Lionel products are today more technologically advanced than ever thanks to such innovations as FasTrack and the Legacy control system Now author and hobby veteran Bob Schleicher updates his classic one stop hands on treasury of practical advice for Lionel enthusiasts to include products such as FasTrack and Legacy which were unavailable at the time of its original publication in 2004 This volume also features an overview of Lionel product development more than thirty track plans for the floor and tabletop advice on building scenery and structures wiring and track how to help in choosing steam or diesel locomotives and freight or passenger operations maintenance and restoration tips and techniques operations that best emulate those of prototype railroads [Beginner's Guide to Starting Your Own Model Train Collection \(Scenery, Track Plans, and Layouts\)](#) Debbie J., 2012-02-29 ABOUT THE BOOK Model railroading is an activity that captivates people of all ages and genders There is something endlessly fascinating about trains and miniature trains are the most fascinating of all It s a great pastime that provides a creative outlet a lot of enjoyment and the camaraderie of fellow enthusiasts Model railroading is a very adult pastime that makes you feel like a kid again Best of all it s a hobby that you can enjoy as a family parents and children together It really is the world s greatest hobby Many are attracted to model railroading but don t know where to begin You may have seen the impressive layouts created by model railroad enthusiasts and worry that you don t have sufficient space or resources to create something similar Having sufficient know how to assemble track build scenes or keep electronic components in good working order may also seem like a deterrent Cost can also be a factor However you don t have to be an expert to build your first model railway Model railroading has a very large support community It s easy to find an answer to virtually any question you may have about building and maintaining a model train collection both in person and on the Internet EXCERPT FROM THE BOOK Scale refers to the relationship between model trains and the real thing O scale used to be called 1 48 with HO scale at 1 87 but measurements have changed somewhat For the novice it s best to not get too mired in scale details Suffice it to say that O scale is the largest model train and is not very common as it requires more space than most people can allot HO scale is the most prevalent and the standard for most model railroaders having the most product selection availability N is smaller than HO and although there is a good selection many hobbyists prefer HO since N requires a higher degree of detail and ability to work with miniature parts Much depends on individual preference If you just want miles and miles of track and lots of trains going around N is great If you want to re create an elaborate scene with buildings people and geographical features HO is better If you get into model railroad building in a big way you may eventually want to explore other scales but most model
