,1946 *International Handbook on Giftedness* Larisa Shavinina,2009-08-12 If you publish you are trying to create something that is original that stands out from the crowd Above all you want to create something you are proud of Richard Branson 2002 p 57 After the publication of my bestselling *International Handbook on Innovation* publishers from around the world began to invite me to work on new books with them When Springer invited me to prepare the *International Handbook on Giftedness* I was on a maternity leave with my 3 months old and my 5 year old was just starting school I however had wanted to prepare such a Handbook for a long time and was waiting for just the right moment to dive right into such an endeavor The time had come and I agreed to prepare a Handbook that would expose readers to new views great discoveries and significant advancements of scientific knowledge exactly as Richard Feynman advised see his opening quote at the beginning of the introductory chapter I have always been convinced of the paramount significance of the topic of giftedness and gifted education to the world as a whole There is no doubt that gifted individuals were are and will be extremely

important to society One way to understand the history of human civilization is via inventions and discoveries of the gifted All human cultural development builds on the amazing technological scientific and moral achievements of the human mind Today people increasingly realize that gifted and talented individuals are even more important than in the past

*Fidel Castro Reader* Fidel Castro, 2024-09-17 A comprehensive anthology with more than 30 speeches that span five decades by Fidel Castro one of history's greatest orators Emerging in the 1960s as a leading voice in support of anticolonial struggles then continuing to play a role in the antiglobalization movement in the subsequent decades Fidel Castro was an articulate and penetrating if controversial political thinker and leader who outlasted ten US presidents Covering five decades of Fidel's speeches this selection begins with his famous courtroom defense History will Absolve Me and also includes his speech on learning of Che Guevara's death in Bolivia his analysis of the collapse of the Soviet Union and his response to the 9/11 terrorist attacks With his declining health and the emergence of new leaders such as Hugo Chavez in Venezuela and Evo Morales in Bolivia this book sheds light not just on Castro's mighty role in Latin America's past but also on his legacy for the future Love him or hate him this anthology demonstrates that Fidel Castro is a master of the spoken word as Gabriel Garcia Marquez has described him The *Fidel Castro Reader* includes a chronology of the Cuban Revolution an extensive glossary and index as well as 24 pages of photos Bulletin United States.
