The Third Birth of Confucius Kashi Ram Sharma, 2022-04-27 The Third Birth of Confucius deals with the Chinese sage and philosopher Confucius and his philosophical and politico cultural legacies As the title suggests Confucius has once again taken birth in China Confucius died for the first time when he gave way to Buddhism in the tenth century but was reinvented again Neo

A Certain Justice Haiyan Lee,2023-06-05 A much needed account of the hierarchy of justice that defines China s unique political legal culture To many outsiders China has an image as a realm of Oriental despotism where law is at best window dressing and at worst an instrument of coercion and tyranny In this highly original contribution to the interdisciplinary field of law and humanities Haiyan Lee contends that this image arises from a skewed understanding of China s political legal culture particularly the failure to distinguish what she calls high justice and low justice In the Chinese legal imagination Lee shows justice is a vertical concept with low justice between individuals firmly subordinated to the high justice of the state China s political legal culture is marked by a mistrust of law s powers and as a result it privileges substantive over procedural justice Calling on a wide array of narratives stories of crime and punishment subterfuge and expos guilt and redemption **A Certain Justice** helps us recognize the fight for justice outside the familiar arenas of liberal democracy and the rule of law
