## **Gabriela Clove And Cinnamon:**

**Gabriela** Jorge Amado,1974      **Jorge Amado** Earl Fitz,Keith Brower,Enrique Martinez-Vidal,2013-10-28 Jorge Amado is simultaneously one of Brazil's most prolific and widely read novelists and one of its most controversial. Seeking to offer for his English speaking audience the same range of critical thinking that surrounds his work in Brazil, this volume provides an introduction and chronology to Amado's life followed by a comprehensive survey of his major works by some of the world's leading Latin American Studies scholars. As the case of Jorge Amado is central to the emergence of Brazilian literature in the twentieth century, this volume of original essays will place him in clearer critical perspective for English language readers.

*Gabriela* Jorge Amado (Schriftsteller),1962      **Emancipating the Female Sex** June Edith Hahner,1990 June E Hahner's pioneering work *Emancipating the Female Sex* offers the first comprehensive history of the struggle for women's rights in Brazil. Based on previously undiscovered primary sources and fifteen years of research, Hahner's study provides long overdue recognition of the place of women in Latin American history. Hahner traces the history of Brazilian women's fight for emancipation from its earliest manifestations in the mid nineteenth century to the successful conclusion of the suffrage campaign in the 1930s. Drawing on interviews with surviving Brazilian suffragists and contemporary feminists as well as manuscripts and printed documents, Hahner explores the strategies and ideological positions of Brazilian feminists. In focusing on urban upper and middle class women from whose ranks the leadership for change arose, she examines the relationship between feminism and social change in Brazil's complex and highly stratified society.      Segregated

Miscegenation Carlos Hiraldo,2014-02-04 Through the comparative study of literatures from the United States and Latin America, *Segregated Miscegenation* questions received notions of race and nation. Carlos Hiraldo examines the current understanding of race in the United States alongside alternative models of racial self definition in Latin America. His provocative analysis traces the conceptualization of blackness in fiction and theories of the novel and troubles the racial and ethnic categories particular to each region's literary tradition.      **Confronting Change, Challenging Tradition** Gertrude M. Yeager,1997-08-01 Understanding the role of women in Latin American history demands a full examination of their activities in the region's political, economic and domestic spheres. Toward this end, historian Gertrude M. Yeager has assembled the multidisciplinary collection *Confronting Change, Challenging Tradition*. The essays in this volume explore the ways in which Latin American women have shaped and have been shaped by the traditional practices and ideologies of their cultures. The selections are arranged in two sections: *Culture and the Status of Women* and *Reconstructing the Past*.

*Expanding and Restricting the Erotic*, 2020-06-08 The current erotic landscape is contradictory. While the West sees greater sexual and erotic freedom than ever, there is also a movement to restrict the behaviour of various sexual minorities. *Expanding and Restricting the Erotic* addresses the way in which the erotic has been constrained and freed both historically and at present. Topics range from the troubling way in which the mainstream media represents the erotic to the concept of

friends with benefits Other chapters explore female eroticism from contemporary female hip hop artists to Latin American women seeking to express their eroticism in the midst of sexual repression Medieval and Early Modern medical conceptions of the female body are explored as are ancient Greek erotic practices Finally the controversial area of teenage girls erotic representation is analysed

*Brazilian National Cinema* Lisa Shaw, Stephanie Dennison, 2014-05-01 Brazilian cinema is one of the most influential national cinemas in Latin America and this wide ranging study traces the evolution of Brazilian film from the silent era to the present day including detailed studies of more recent international box office hits such as *Central Station* 1998 and *City of God* 2002 *Brazilian National Cinema* gives due importance to traditionally overlooked aspects of Brazilian cinema such as popular genres ranging from musical comedies the *chanchada* to soft core porn films the *pornochanchada* and horror films and also provides a fresh approach to the internationally acclaimed avant garde Cinema Novo of the 1960s Lisa Shaw and Stephanie Dennison apply recent theories on stardom particularly relating to issues of ethnicity race and gender to both well known Brazilian performers such as Carmen Miranda and Sonia Braga and lesser known domestic icons such as the Afro Brazilian comic actor Grande Otelo Big Othello and the uberblonde children s TV and film star and media mogul Xuxa This timely addition to the National Cinemas series provides a comprehensive overview of the relationship between Brazilian cinema and issues of national and cultural identity
