Monthly Labor Review ,1981 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews *The Student Leadership Guide* Brendon Burchard,2003 Finally an acclaimed text written for students who are 1 interested in learning about leadership concepts from both academic and popular literature and 2 looking for a real world framework to aid them in conceptualizing and practicing leadership **Leadership and the Culture of Trust** Gilbert W. Fairholm,1994-06-22 Leadership is not something one does alone It is an expression of collective community action unified action of leaders and followers who trust enough to jointly achieve mutual goals The task of creating a culture conducive to interactive trust is perhaps the preeminent leadership task This practical guide identifies the key elements leaders need to manipulate to create such a trust culture in any work environment By learning to shape culture to meet changing needs by learning to be continually responsive to the organization s vision as well as to the needs of a changing follower core the leader can create the situation necessary for any successful organization one where followers can trust others and feel free to work together to gain mutually desired goals **Postcolonial Commentary and the Old Testament** Hemchand Gossai,2018-11-01 This is the first volume to provide a wide range of postcolonial interpretations of and commentaries upon significant texts in the Hebrew Bible The volume intersects with the work of the key theorists in postcolonial studies such as Fanon Senghor Said and Spivak as well as with scholars such as Sugirtharajah Kwok Pui lan and Segovia who have applied this theory to biblical studies Texts have been chosen specifically for their relevance to postcolonial discourse rather than seeking to cover each biblical document This volume is designed to demonstrate how

historical criticism postmodernism and the important concerns of postcolonial readings may be integrated to obtain an informed explanation of the Hebrew Bible and the writings of early Judaism The chapters are written by scholars who represent a spectrum of national indigenous and diasporic contexts Taken together these perspectives and the interpretations they yield represent a continued expansion of the manner in which Old Testament texts are read and interpreted through postcolonial lenses reminding readers that the interpretive trajectories of these texts are almost inexhaustible As such the volume serves as not only an addition to ongoing scholarship on postcolonialism but also as an expansion of the horizon for dialogue
