Herz,2014-06-03 The absorbing definitive account of CrossFit's origins its explosive grassroots growth and its emergence as a global phenomenon One of the most illuminating books ever on a sports subculture Learning to Breathe Fire combines vivid sports writing with a thoughtful meditation on what it means to be human In the book veteran journalist J C Herz explains the science of maximum effort why the modern gym fails an obese society and the psychic rewards of ending up on the floor feeling as though you're about to die The story traces CrossFit's rise from a single underground gym in Santa Cruz to its adoption as the workout of choice for elite special forces firefighters and cops to its popularity as the go to fitness routine for regular Joes and Janes Especially riveting is Herz's description of The CrossFit Games which begin as an informal throw down on a California ranch and evolve into a televised global proving ground for the fittest men and women on Earth as well as hundreds of thousands of lesser mortals In her portrayal of the sport's star athletes its passionate coaches and its chief armorer Rogue Fitness Herz powerfully evokes the uniqueness of a fitness culture that cultivates primal fierceness in average people And in the shared ordeal of an all-consuming workout she unearths the ritual intensity that's been with us since humans invented sports showing us how on a deep level we're all tribal hunters and first responders waiting for the signal to go all out **iPhone: The Missing Manual** David Pogue,2019-11-05 The iPhone 11 11 Pro 11R and 11Max are faster than ever and have more powerful cameras With the latest edition of this bestselling guide you get a funny gorgeously illustrated guide to the tips shortcuts and workarounds that will turn you into an iPhone master Written by David Pogue Missing Manual series creator New York Times columnist and Emmy winning tech correspondent for CNBC CBS and NPR this update shows you everything you need to know about new iPhone features and the iOS 13 user interface Pick up this beautiful full color book and learn how to get the most out of your iPhone **E-Government Success Factors and Measures: Theories, Concepts, and Methodologies** Gil-Garcia, J. Ramon,2013-05-31 As governments around the world seek new and more effective methods of organizing their administrations electronic government plays an increasingly more important role in governmental success However due to hindrances in financial and communication resources these advantages are often overlooked E Government Success Factors and Measures Theories Concepts and Methodologies investigates successful e government initiatives in a modern technological environment exploring both benefits and challenges due to various technical organizational social and contextual factors The book provides academics and professionals with concepts theories and current research in the arena of e government enabling readers to develop a broader understanding of the measures inherent in successful e governments on a global scale This book is part of the Advances in Electronic Government Digital Divide and Regional Development series collection Fair Shot Chris Hughes,2018-02-20 deeply felt and cogently argued Hughes makes a powerful case that deserves a respectful hearing The Financial Times Facebook co founder Chris Hughes argues that the best way to fight

income inequality is with a radically simple idea a guaranteed income for working people paid for by the one percent The first half of Chris Hughes s life played like a movie reel right out of the American Dream He grew up in a small town in North Carolina His parents were people of modest means but he was accepted into an elite boarding school and then Harvard both on scholarship There he met Mark Zuckerberg and Dustin Moskovitz and became one of the co founders of Facebook In telling his story Hughes demonstrates the powerful role fortune and luck play in today s economy Through the rocket ship rise of Facebook Hughes came to understand how a select few can become ultra wealthy nearly overnight He believes the same forces that made Facebook possible have made it harder for everyone else in America to make ends meet To help people who are struggling Hughes proposes a simple bold solution a guaranteed income for working people including unpaid caregivers and students paid for by the one percent The way Hughes sees it a guaranteed income is the most powerful tool we have to combat poverty and stabilize America s middle class Money cold hard cash with no strings attached gives people freedom dignity and the ability to climb the economic ladder A guaranteed income for working people is the big idea that s missing in the national conversation This book grounded in Hughes s personal experience will start a frank conversation about how we earn in modern America how we can combat income inequality and ultimately how we can give everyone a fair shot

**Global Criminal and Sovereign Free Economies and the Demise of the Western Democracies** Robert J. Bunker,Pamela Ligouri Bunker,2014-09-15 Much has been written about the many economic benefits of globalization and the triumph and spread of democratic liberalism with the end of the Cold War following the demise of the Soviet Union This work takes issue with such wine and roses perspectives about the future of the Western democracies and their faith based views on the moral purity of a globalized marketplace It also questions many of the assumptions found in the status quo reinforcing discipline of international political economy IPE a discipline that focuses on the formal and legitimate economies and the facade they present that international relations and commerce is still dominated and dictated solely by the old Westphalian state centric system Having highlighted these concerns this book looks at two major themes The first theme focuses on the theoretical perception that a Dark Renaissance is taking place globally one in which the Western liberal democracies and its citizens are ill prepared to respond because it exists at the trans civilization level bridging the modern to the post modern world The second theme focuses on the actual process of state deconstruction that is taking place This process is leading to what may become the very undoing of the democracies Drawing together experts from a variety of backgrounds this work explores the increasing shift away from formal based capitalism and evaluates through case studies how different states are responding to the challenges they face This work will be of great interest to students and scholars of international political economy

**Le capitalisme en 10 leçons** Michel Husson, 2017-03-02 La crise du capitalisme ne cesse de faire parler d'elle mais qu'est-ce au juste que ce système économique En dix chapitres clairs et pédagogiques Michel Husson propose un petit cours d'économie critique résolument contre courant de l'idéologie dominante destinée mieux faire comprendre les rouages essentiels mais aussi les contradictions structurelles d'un système économique qui gouverne nos vies et les rend invivables Le capital ne se réduit pas une masse d'argent ou un parc de machines et d'usines Il s'agit avant tout d'un rapport social fondé sur la propriété des moyens de production qui tire son origine d'un vaste mouvement d'appropriation privée et de possession Si ce système a engendré une progression historique de la productivité c'est en généralisant les principes de la concurrence Mais les conditions nécessaires à sa reproduction incertaines et contradictoires font qu'il porte en lui la crise La voie consistant à le réguler et à l'encadrer est plus bouchée que jamais et il reprend sa liberté en faisant apparaître sa nature profonde consistant à se perpétuer par la régression sociale Au-delà du diagnostic sa mise en cause en tant que système devient une question d'actualité brûlante

**The Eclipse of Value-Free Economics. The concept of multiple self versus homo economicus** Aleksander Ostapiuk, 2021-03-30 The book's goal is to answer the question Do the weaknesses of value free economics imply the need for a paradigm shift The author synthesizes criticisms from different perspectives descriptive and methodological Special attention is paid to choices over time because in this area value free economics has the most problems In that context the enriched concept of multiple self is proposed and investigated However it is not enough to present the criticisms towards value free economics For scientists a bad paradigm is better than no paradigm Therefore the author considers whether value based economics with normative approaches such as economics of happiness capability approach libertarian paternalism and the concept of multiple self can be the alternative paradigm for value free economics This book is essential reading to everyone interested in the current state of economics as a discipline
