Full Catastrophe Living Jon Kabat-Zinn, 1990 **Full Catastrophe Living** Zach Savich, 2009-03
Merging the spirits of Don Quixote Shakespearean fools Theodore Roethke Frank O Hara James Merrill and the Marx Brothers Zach Savich's first book does more than showcase the innovative fluency of its roving forms and moods these poetic hybrids are not hothouse blossoms but minotaurs With ebullient intelligence and high stakes insistence on the panic lust and

suffering of the sensual world Full Catastrophe Living uses the self as an instrument to investigate art love and the hardest honesty In meditations songs slapstick sequences sonnets narratives and tightly carved fragments Savich explores the conflicts between romance and reality between inventing a new world and staying true to this one Relishing both traditional and experimental poetics he takes refreshing ecumenical risks to show the strange grace of bells that ring with a rag s polishing Like a Fourth of July band conductor guiding planes to land his poetic wit alters what s real This book will change the ways that readers think about poetry language s expressive capacity and the robust world around us **Mindful**
