## **Fundamentals Of Corporate Finance Parrino:**

*Fundamentals of Corporate Finance* Robert Parrino, Thomas Bates, Stuart L. Gillan, David S. Kidwell, 2017-10-16 Parrino's *Fundamentals of Corporate Finance* develops the key concepts of corporate finance with an intuitive approach while also emphasizing computational skills enabling students to develop the critical judgments necessary to apply financial tools in real decision making situations. The fourth edition offers a level of rigor that is appropriate for both business and finance majors.

**Corporate Finance** Peter Moles, Robert Parrino, David S. Kidwell, 2011 *Fundamentals of Corporate Finance* helps students develop the intuition and analytical skills necessary to effectively apply financial tools in real world decision making situations. The authors provide a fully integrated framework for understanding how value creation relates to all aspects of corporate finance whether it be evaluating an investment opportunity determining the appropriate financing for a business or managing working capital. This unique and integrated framework also provides robust coverage of problem solving and decision making skills.

**Fundamentals of Corporate Finance, 5th Edition** Robert Parrino, Hue Hwa Au Yong, Nigel Morkel-Kingsbury, Jennifer James, Paul Mazzola, James Murray, Lee Smales, Xiaoting Wei, 2025-12-30 *Fundamentals of Corporate Finance 5th Edition* is a core resource for business students particularly those who find the mathematical aspects of finance challenging. The text presents financial principles in a clear logical sequence supporting comprehension through a step by step approach. Beyond technical skills the resource encourages the development of analytical thinking through local examples and real world applications. This helps students build the intuition required to apply financial tools effectively in practice.

*Fundamentals of Corporate Finance* Robert Parrino, David S. Kidwell, 2009-12-09 Parrino Kidwell *Fundamentals of Corporate Finance* offers an innovative integration of conceptual understanding and problem solving of intuition and decision making of the authors' industry and classroom research experience with current real world examples and online practice. *Fundamentals of Corporate Finance* helps students develop the intuition and analytical skills necessary to effectively apply financial tools in real world decision making situations. Authors Robert Parrino and David Kidwell provide a fully integrated framework for understanding how value creation relates to all aspects of corporate finance whether it be evaluating an investment opportunity determining the appropriate financing for a business or managing working capital. This unique and integrated framework also provides robust coverage of problem solving and decision making skills. The authors of *Fundamentals of Corporate Finance* believe that students who understand the intuition underlying the basic concepts of finance are better able to develop the critical judgments necessary to apply financial tools in real world decision making situations. This text develops intuitive thinking while simultaneously helping students develop problem solving and computational skills. It then shows students how to apply intuition and analytical skills to decision making while integrating it all with valuation and building shareholder value.
